Heather Horine was voted "Geek of the Week" at 8th grade cheerleading camp.

Look, Aleta, no crutches!

Not just another pretty face!

Do you remember when the biggest choice of your life was deciding on which color of crayon you wanted to use? Who your best friend for the week would be? What part of the playground you wanted to play on? Or, how about when recess was the most important part of your day? When you really wanted homework or when you got your first locker? Although, we shouldn't dwell on the past, it's always fun to look back and remember what it was like growing up. We all have memories of school, friends, and events that will stay with us all of our lives. It is great to remember and we should never be afraid of Looking Back . . .

Angelle Pence, Angie Armstrong, and Monica Bunch "stall" for a picture.

Look out Arnold . . . here comes Sam Skeens.

Cam Hindman is ready to play cowboys and indians on Pioneer Day.

Gym class beauties .. locker room memories!

Summer baseball brings memories of fun, friends, and victory celebrations at Dairy Queen.

Brandy Pyle dances away ... ain't she sweet!

BACK

Jennie Welborn plans on a career in cosmetology.

Here comes the bride . . . Mrs. Doug Bragg.

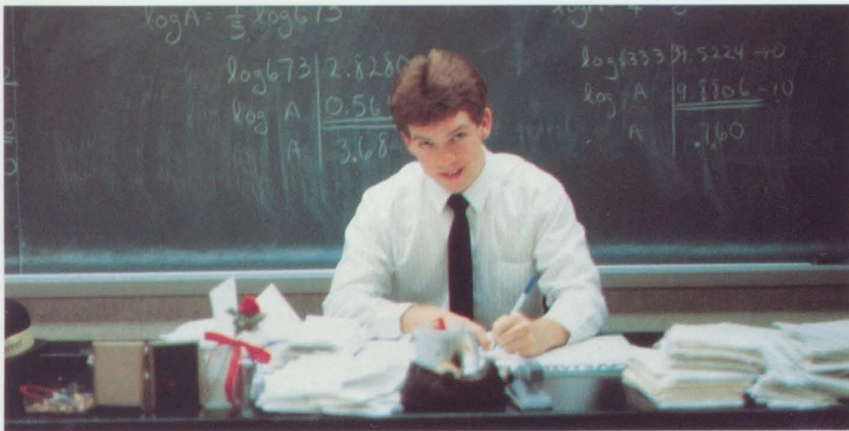

Watch out Liz Claiborne! Holly Eastburn works on designing fashions of the future.

Lori Curless follows in the foot steps of her mother by practicing her nursing skills on Damon Thomas.

These preschoolers encourage Shelly Strasemeier to pursue her career in Child Care.

1,2,3,4 ... Ted Davis teach us more!

After graduation, Amy Bair would like to become a dental hygienist.

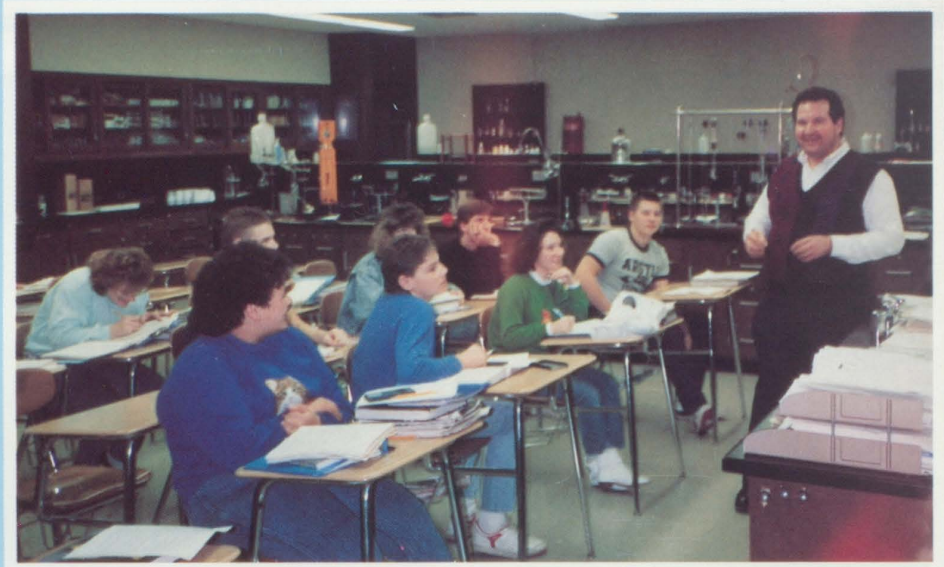

As we grow older, our values change and our decisions become much more important to both our daily and our future lives. Now we must decide what to do after graduation: whether we want to marry, attend college, join the military, or begin our careers; who we want to spend our lives with; and where we want to live. We belong to a society that is always on the move. Time never stops and neither can we. As we build our lives, we must keep ...

Doin' Time

"Get to class, you don't want to be late." Being chased by a punctual principal is a common sight in the hallways of Madison-Grant. Classes, books, and studying make up a day for the 600 different kids that attend Madison-Grant.

Homework, homework, homework . . . Students get a great deal of work during the day, but students also have other ideas on how to spend their time. The time students spend outside of school is titled "After Hours." These activities range from being with friends, raiding the mall, sports, jobs, special community & school events, and hittin' the cruisin' strips.

Mr. Earnest begins the class with a joke . . . but then it's time to "get serious."

Rex Tubbs and Janet Sickman take 5 between classes.

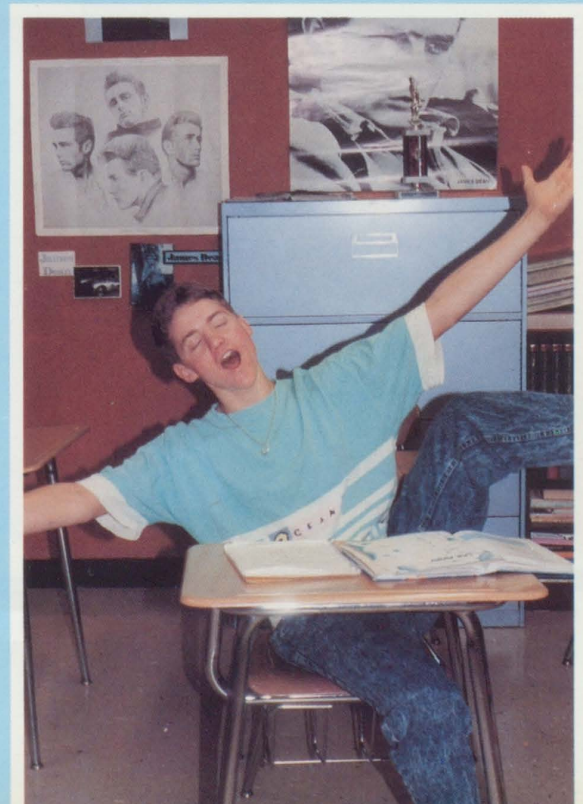

Angie, not quite rested, catches a few more "z's".

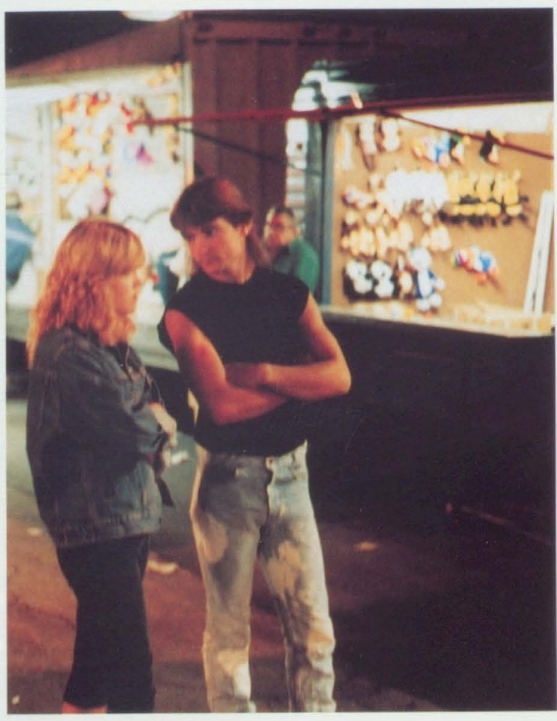

The day half over, lunch is a time to relax and visit with friends.

Who says students don't get excited about speech?

After Hours

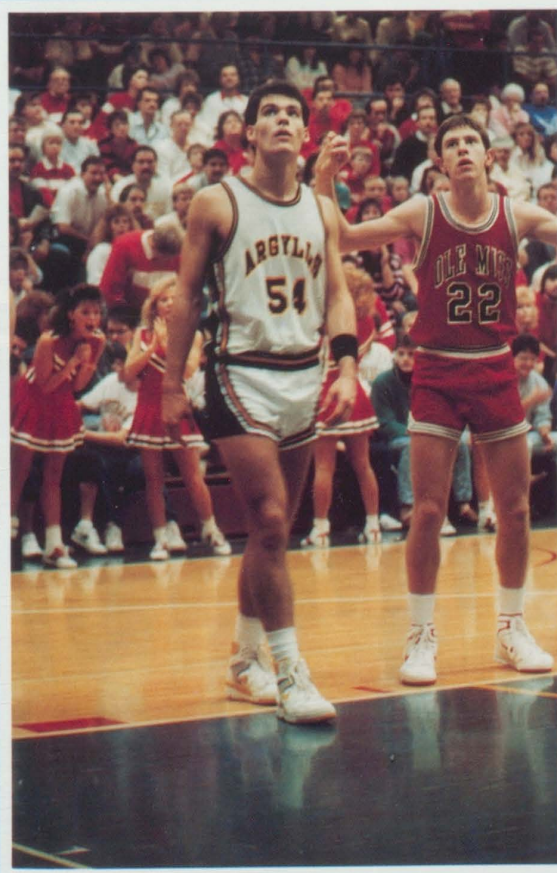

Gina Most and Brian Garrett are two of the many people exploring James Dean Days.

ArGuys and Gals add a festive touch to the Christmas Ball.

Jobs are a big part of the "After Hours" scene for many like Scheri, Stephanie, and Lisa.

Peter Selby glances up to see Ole Miss aim and miss! M-G won the Grant Four.

No weekend is complete without cruisin' and a chance to be with friends.

M-G Royalty

"1988 Royal Couple," Jay Bragg and Amy Alexander.

Chad Reding and Amy Bair, junior candidates arrive for the crowning.

1988 Homecoming Queen, Amy Alexander.

1987 Queen, Kari Toulis, crowns her successor, Amy Alexander.

Senior King and Queen Candidates: Amy Alexander, Shannon Underwood, Brooke Soultz, Jason Thompson, Peter Selby, Jay Bragg.

1988 Homecoming Court: Amy Bair, Chad Reding, Shannon Underwood, Jason Thompson, Amy Alexander, Eric Treon, Brooke Soultz, Peter Selby, Heather Horine, Troy Johnson, Josh Blackburn, and Amy Chapel.

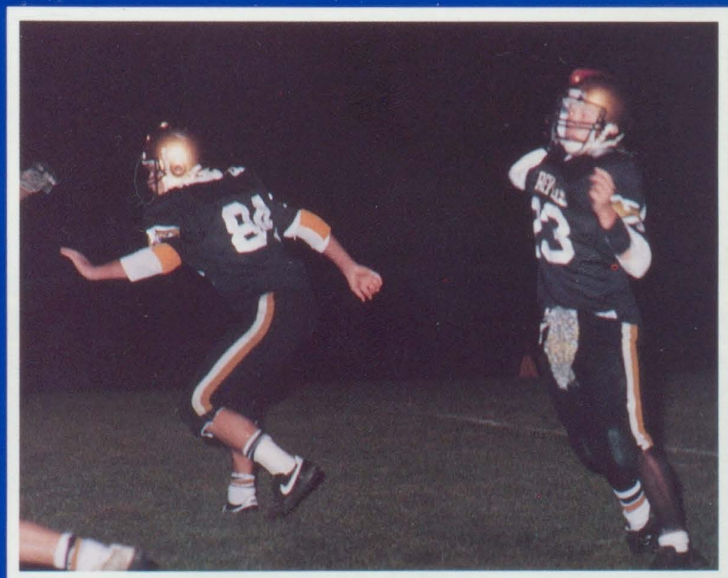

"THE GREATEST SHOW ON EARTH"

Fun, excitement, competition, and challenges describe M-G's Homecoming '88. On Monday night, the guys from each class competed against each other in volleyball. The senior guys reign as class champions, but were then defeated by the men's faculty. On Thursday, the Junior/Sophomore girls defeated the Senior/Freshmen girls in the powder puff football game, followed by a bon fire. Friday, the roar of the students, the stomping of feet and the clapping of hands resounded during the pep session and class competition. Friday night was not just a normal night, nor was it just another football game. For tonight, the Argylls had brought all their strength and courage to play the Wabash Apaches. As the crowd cheered and the band played, the Argylls witnessed an impressive 37-20 Homecoming Victory over the Apaches.

M-G Girls catch up on the latest gossip at the tailgate party.

Quarterback, Jay Bragg leads the Argylls to a victory.

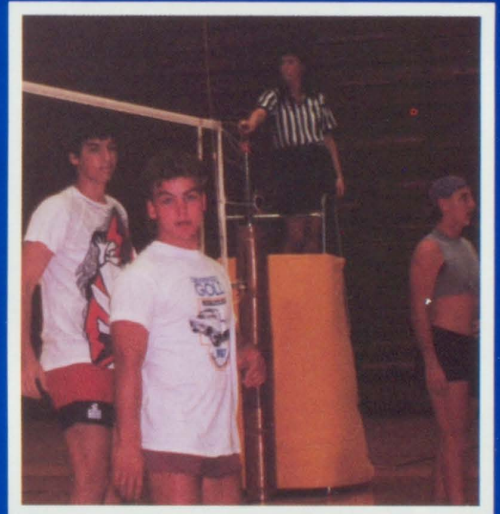

M-G students celebrate a Homecoming Victory.

Raean, Shelly, and Amy clown around in the winning hall, "The Greatest Show on Earth."

Jason Thompson gives the camera his excited look as the senior guys reign as volleyball champs.

Brian Baldwin and Trent Jones saddle up to plow over the Apaches.

Jodie Watson cheers the Argylls to victory.

"Billy" and "Bobby," Homecoming sponsors, show their school spirit on "Shades Day."

Christmas Memories

The 1988 Christmas Ball, sponsored by the National Honor Society, took on a new twist this year by crowning Chad Reding and Sherry Retherford as Prince and Princess.

The contest was held between attendants from the Freshman, Sophomore, and Junior classes and voted on by the student body. The candidates were Freshmen, Kelly Flora and Jeremy Blackburn; Sophomore, Molly Matchett and Mike Horsely; and Juniors, Sherry Retherford and Chad Reding, our 1988 Prince and Princess.

After the crowning, the Prince and Princess were escorted to a sleigh and then were serenaded by the Arguys and Gals.

Approximately 240 people who attended the Christmas Ball enjoyed dancing to the music of Jim's Mobile Music and a visit by Santa, alias Mr. Bach.

Our Royalty, Princess Sherry Retherford and Prince Chad Reding try out Santa's sleigh.

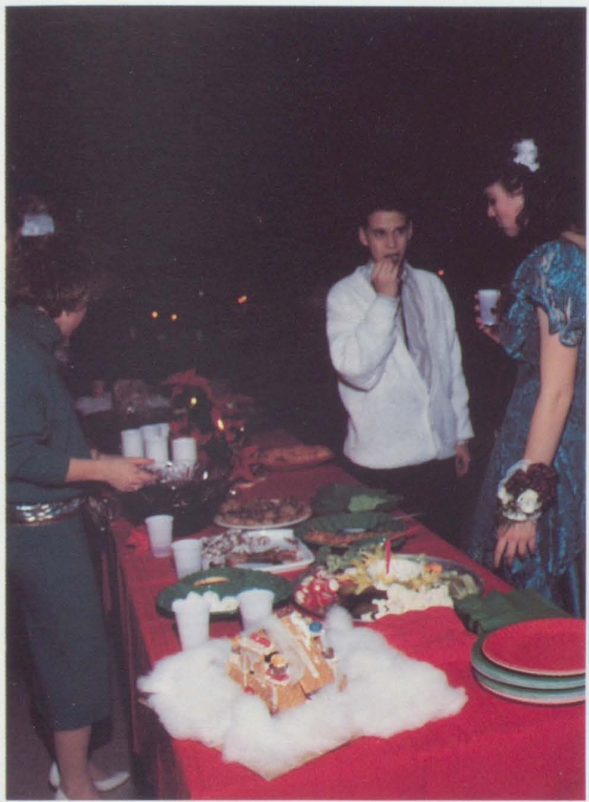

A festive time was had by Rick Williams and his date, Lisa Ochoa.

In a world all their own are Amy Chastain and Peter Selby.

Holly Eastburn obviously had a good time as she danced with Nathan Hensley.

Santa's elves worked overtime to provide some great snacks.

Jay dips Brooke into the past at an 8th grade Christmas Ball.

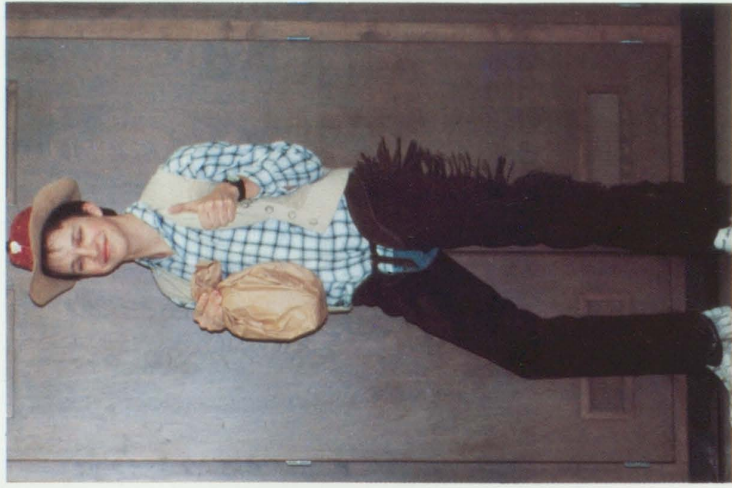

Kari Kincaid and Ryan Retherford share an intimate moment.

Amy Chapel and Chad Rudy were just two of the smiling faces to be found.

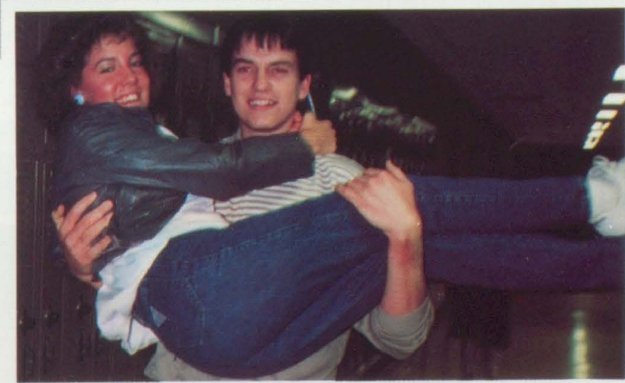

... then Santa said, "The envelope please."

FACULTY

Going the extra mile to help us learn

Looking back on your elementary and junior high years, you will probably remember those teachers who served as an inspiration to succeed in high school. The manner in which a teacher taught the class how to properly write a theme or maybe the method a teacher used that helped you distinguish the different parts of an atom has inspired each of us to fulfill our need to learn.

A good teacher is one who cares enough to

spend a little extra time explaining the basics of the subject he or she teaches. One who goes that extra mile to help a student excel in their class. Or a teacher whose patience is never ending for a student who wants to learn.

The teachers at Madison-Grant continue to inspire us to succeed. They offer to us an education that will be priceless as we move forward in our lives.

Principal, R. Larry Martin, enjoys visiting classrooms to observe learning in the process.

Memory

Skiing at Bittersweet, eating goldfish at Campus Life, and decorating sweatshirts with the FHA are only a few of the exciting activities which Argylls may choose from in organizations at Madison-Grant; however, entertainment is not the only thing that M-G's clubs offer. All of the clubs offer educational things to do: learning the way real Mexicans make tacos with the Spanish Club, learning the proper way of presenting yourself in public with the Talking Argylls, learning to make paper with the Young Artists, etc. These learning experiences will, undoubtedly, be of great importance as the students of M-G move forward in their lives. Proof of the importance of the organizations in our school lies in the memory of some of our favorite graduates. It could have been the Speech Team that inspired Phil Jones to use his talent in public-speaking to bring us the news on CBS. The Art Club may have helped Jim Davis to decide that drawing cats was to be his occupation. His participation in the Thespians probably inspired James Byron Dean to act. With the help of extra-curricular activities, these and other people have gone on to do great things. Could you?

ORGANIZATIONS

Arguys-N-Gals & Concert Choir sing with style

The Arguys-N-Gals have sung and danced their way through the 88-89 school year with style.

This dedicated group of young performers, directed by Mrs. Jane Sharkey, has appeared in churches throughout the community, as well as at the annual James Dean Festival. They've broadened their horizons outside of the community, by competing at the Solo & Ensemble contest at Ball State University. A first place rating at Ball State allowed them to advance to state competition in Indianapolis. They were also awarded a first place ranking at State.

The highlight for the group comes in May when they put on their show. This year's show consisted of western hits, Broadway routines, and jazz numbers.

The 88-89 officers were President, Alan Blalock; Vice-President, Derek Davis; Secretary, Holly Eastburn; Treasurer, Jenny McGibbon; and Historian/Reporter, Sherry Retherford.

President, Alan Blalock, shows his maturity by throwing, yet another, temper tantrum!

Shannon, Holly, Angie, & Stacey show their distaste for early morning practices.

Arguys-N-Gals entertain the student body at the Christmas Auction.

The 1988-89 Madison-Grant Band has nearly doubled in size in the past 2-3 years. For the first time in 17 years the members are wearing brand new uniforms, which were purchased by money donated by parents, sponsors and supporters of the band.

The 65 member band has performed several outstanding concerts including performances in the Elwood Glass Festival, Alexandria Christmas Parade, Summitville Lions Parade and James Dean Days in Fairmount. Mr. Donald Lamb is the director of this fine band.

Madison-Grant's Pep Band is something to be proud of. They help support the Argyll team at every home basketball game, raising the spirit of the students and parents throughout the evening. The Pep Band is truly a part of Madison-Grant's school spirit.

The Madison-Grant Jazz Band works extremely hard at bringing the music of 1920's back to life. Long, hard, and grueling hours of practice before and after school pay off when they perform their outstanding concerts.

Madison-Grant Band members enjoyed the summer by performing on the Surfin' USA float.

Student Council

The 1988-89 Student Council, a heterogeneous assembly of M-G students, provided Madison-Grant with several activities. They sponsored the homecoming festivities, the biggest event of the fall season; they went together with the FCA to help plan the Christmas auction; and for the first time, the council sold Valentine carnations. A highlight for the council was attending the statewide convention at South Dearborn High School where leadership skills were emphasized through various group discussions and activities throughout the weekend.

Shannon Underwood, President; Peter Selby, Vice-President; Stacey Chidister, Secretary; and Audrey Alexander, Treasurer; were the 1988-89 officers. Mr. Bob Holloway was the sponsor.

Hoosier State promotes learning first-hand

Going to Hoosier Girls' and Boys' State is a privilege that is not easily obtained. A scholarship committee chooses a slate of candidates which is submitted to the Fairmount American Legion, and they make the final selection.

The purpose of the experience are to teach the divisions of our American Government, to show how each section is run, and to emphasize the importance of each level. Through this program, students from all over the state can learn about the United States Government.

FHA stresses unity & harmony

The main purpose of Future Homemakers of America is to emphasize the importance of the home and how to keep it from being dismantled in today's society. The ten members of the 1988-89 FHA enjoyed many activities which helped them to realize the importance of unity and harmony with friends and in the home. Some of the exciting activities the girls participated in were: bowling, pizza parties, a halloween party, and a mother-daughter banquet. Officers were: President, Karen Watson; Vice President, Lynn Hartley; Secretary, Brenda Butler; Historian, Paula Ford; and Recreation, Stephanie Bair.

Mrs. "C." and Paula enjoy the FHA Christmas Party.

Pres. Watson discusses plans in an informal setting.

The object is FUN . . . not style.

Student Council

French Club

The main objective of the French Club, directed by Dr. Calvert, is to introduce the French culture through avenues not available in the regular classroom. The French Honor Society is a separate organization comprised of French students with superior grades. These members study the French language and culture more in depth.

This year the French Club and the FHS participated in many different activities including; a visit to Ball State to see the musical version of Voltaire's play, a Christmas party, and an after school crepes party with the Spanish Club. A few students accompanied Dr. Calvert to see Les Miserables, a Broadway show, at Indiana University.

Spanish Club

Like the French Club, the Spanish Club desires to provide the opportunity for its members to gain knowledge about the Spanish culture. Some activities they shared this year included: a visit to the zoo, Children's Museum, and Mexican restaurant. They enjoyed trying other Mexican foods at a taco party and Christmas party. They hosted a special party for the foreign exchange students with the French Club.

Spanish Club supports a homecoming victory.

Campus Life and FCA follow the light

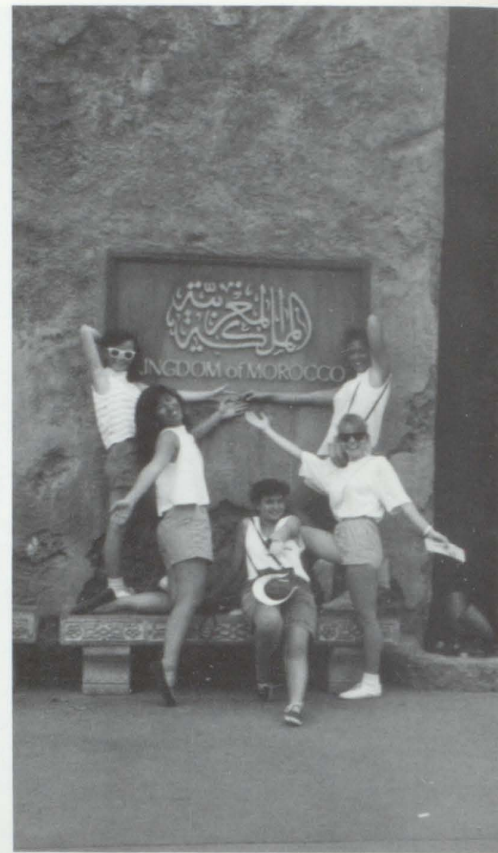

Campus Life and FCA are two Christian organizations at Madison-Grant which allow students the opportunity to learn about the love of God and how to share this love with others. Both clubs had special speakers and engaged in discussions to help students understand some of today's moral issues and a Christian's responsibility to "stand tall" by being an example in speech, in life, in love, and

purity.

Burger bashes, concerts, toga parties, air bands, and a wonderful spring break in Florida allowed Campus Life members to share their faith with fellow Christians.

FCA's experiences included community service projects such as the annual school Christmas Auction which allowed students to put Christian principles into practice.

In pursuit of excellence

The National Honor Society for the 1988-89 school year helped create a great spirit of fun and dedication for the M-G students and the citizens of the community. The N.H.S. members participated in the teach-in and enjoyed honoring some of our communities citizens by sponsoring a senior citizen banquet in the fall. They also planned the wonderful "Winter Wonderland" Christmas Ball.

Each of the nine members were chosen last spring under the criteria of grade-point average, leadership, character, and service. After careful evaluation, eight students qualified for induction into the National Honor Society this spring. The sponsors for this group are Sally Herring and Joyce Burnett.

You've gotta have art!

The Madison-Grant Young Artists, with sponsor Mrs. McConnell, have had an art filled year! The Young Artists meet weekly to give prospective artists a variety of experiences as they explore different options in the medium of art. During this time, students have the opportunity to learn much more than is sometimes possible in the regular classroom setting. Members made tie-dyed sweatshirts, and later silk-screened a logo onto this original

designs. Other projects included basketweaving, jewelry making, and making a stained glass window, an annual project; this year it was for Mr. Palmer's room.

The Young Artists' money making project for the year was Christmas Grams, personal messages delivered with gum and candy. They used some of this money to go shopping at Union Station and to take an overnight ski trip.

The talk of the Argylls

The 1988-89 year was an exciting and eventful year for the Talking Argylls. Under the leadership of a new and eager coach, Phyllis Brown, many of the team's members achieved success this year.

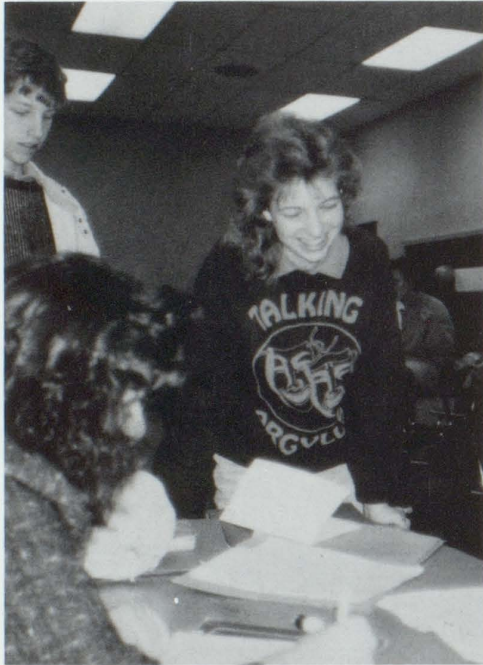

The team's size has doubled with the addition of many new and talented freshmen as well as the returning veterans. Not only did the team increase in size, but experienced greater success in competition. Seven of the team's members placed in sectional and ad-

vanced to regional. They include: Chris Nunn, Stacey Chidester, Elizabeth Peterson, Lisa Key, Shanda Brown, Amber Burton, and Wendy Chidester.

Top scoring senior, Shane Kirkpatrick, finished the year with 424 National Forensic League points which earned him a letter, jacket, and blanket. He placed fourth at regionals and was the only M-G student to advance to State competition.

The 1992 U.S. Olympic Ski Team?!

Hitting the slopes with the Ski Club

Look out! Crash! M-G's ski club, one of the school's largest organizations, is not just for veteran skiers but also for students who want to learn to ski, enjoy the time spent with friends, or relax by the lodge fire. This year's club enjoyed trips to Bittersweet, Swiss Valley, and an overnight stay at Timber Ridge. Although some were content to just stand up, others did make it down the hill, and more experienced skiers jumped moguls and competed in M-G's first ski races.

"Act well your part, there all the honor lies." This quote served as the theme for the Thespian Society and Drama Club.

The Thespians and Drama Club worked hard in order to produced three dramas this year. The fall play, THE DIARY OF ANNE FRANK, was a great success. Leading roles were played by Shanda Brown and Tony Meiring. Alan Blalock and Ryan Nunn were the leads in TOYMAKER'S DREAM, which was presented at the Thespian Induction Ceremony. FAME, the spring play, enveloped a wide variety of talents, including song, dance, and instrumentals.

Actors all feel differently about their art. Alan Blalock responds, "It's really neat being a part of the same Thespian troupe that James Dean was in." Amber Burton said, "Acting is the only way that a person can exhibit schizophrenic tendencies without being locked up."

Mrs. Richards enjoys drama because, "Acting is the only art form which incorporates all other art forms." Thespians and Drama Club members have proven their ability to "act well their parts."

"... And don't bring that thing into my classroom, Mr. Johnson."

"I still believe people are really good at heart."

"Acting is the hardest profession in the world."

"For two long years we've lived in fear, now we can live in hope."

Putting it in print.

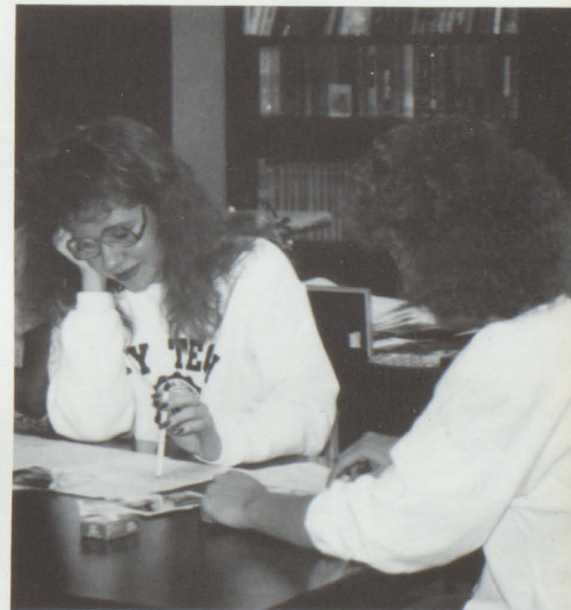

Silas Bent once said, "Harmony never makes a good headline." Well, no one in the world has proven Mr. Bent to be correct more times than the members of the 1988-89 publications staff. This group of students worked hard by writing copy, designing layouts, preparing artwork, and proofreading literally hundred of thousands of sentences. The photographers also worked very hard to compose, shoot, and develop thousands of photos for both the newspaper and the yearbook.

Not only did the members of the staff learn about the joys and sorrows of the publishing industry; they learned a lot about life as well. They learned creativity isn't easy, presenting original ideas to a group can be frustrating, listening and remaining open-minded to others' ideas is often impossible, and accepting the majority vote (even when you disagree) takes patience. The members of the ne Obliviscaris staff also learned responsibility by the necessity of meeting deadlines. Personality clashes, differing ideas, and the pressure of deadlines didn't always make for harmony in I-206. However, their dedication to quality publications resulted in the type of product that will make the headlines!!

Spring break is a time for many students to "break away" from school work, the pressures from other students, job frustrations, and family problems. For many M-G students, breaking away meant a trip to a vacation paradise such as New York, Colorado, Texas, or the ever-popular Florida.

For some students, it was the first time to get away without parents. For others, it was a special time to be with friends. As Lisa Wright, one of five senior girls who took a trip to Daytona Beach over break said, "We are all seniors and this was the last spring break we could spend together. We had a great time!"

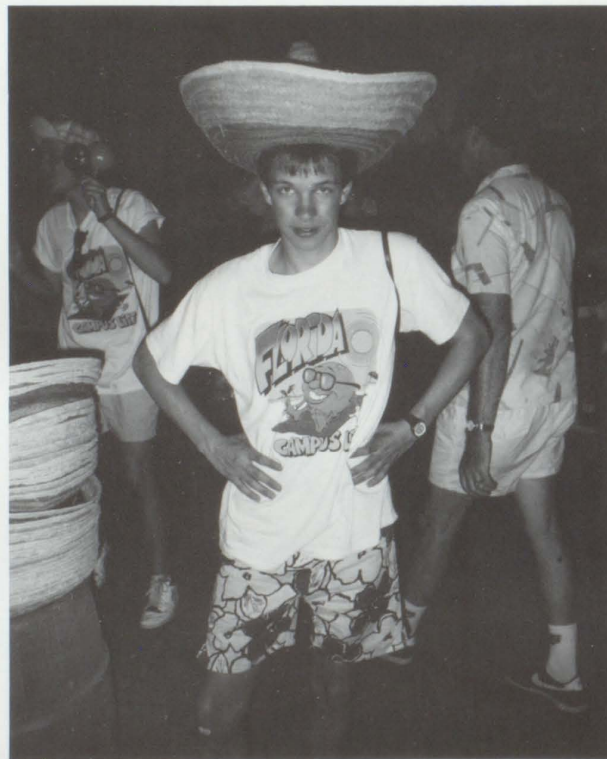

While many students spent their break skiing, sightseeing, or on the beach, others stayed home, worked, or just slept in.

ACADEMICS

PUTTING THE PENCIL TO THE PAPER

The M-G Art Department offers a wide variety of classes. For the beginning artist, there is stained glass class. For the more advanced, there is painting, drawing, and ceramics. Crafts design is a new class offered to help students recognize and analyze the elements found in developing art projects.

Many students also develop their own techniques through independent study courses. This time allows them to continue work on a more advanced level. Seniors often use this time to develop a portfolio for college applications.

Mrs. McConnell has enjoyed teaching this year's art students how to put their pencils to the paper.

Getting down to business

The business department at Madison-Grant offers a large variety of classes to prepare the young business-minded student for any career. These classes range from accounting to business law. The BCL classes, which allow students to design their own computer programs, is especially popular with the students. Another favorite is the office procedures class which allows students to get first-hand experience in the business world by working for local companies. Mrs. Brown, Mrs. McIntosh, Mrs. Gallo, and Mr. Holloway are responsible for seeing that M-G students are prepared for today's fast-paced world-of-business.

Language brings today's world closer together

To compete in a modern world, English, math, and science are obviously important. However, as scientists bring our world closer and closer together, the need for a second and possibly a third language has proven not only beneficial but necessary. M-G offers two foreign languages — French and Spanish. Dr. Calvert and Mrs. Melson provide students with the foundation they need to use another language in today's world. The advanced students are given the opportunity to teach the alphabet, numbers, colors, general conversation, some foreign music, and games at the elementary schools.

The scramble — freshmen style!

P.E. — more than just a game!

Physical education is an important class required for freshmen and sophomores. As freshmen, the students learn the fundamentals of several games and activities such as: gymnastics, volleyball, tennis, and recreational games. The sophomores study the games more in depth and play more tournaments. Fun — but important because it helps to keep bodies in shape.

For the health of it!

Remember when your first grade health class consisted of topics like brush your teeth and hair everyday, or eat healthy food like apples? Wouldn't it be nice if our health only consisted of these simple subjects? However, as you moved into your sophomore year and took health, you realized that it was more complex. Mrs. Mercer and Mr. Strasemeier try to stress the importance of making healthy decisions concerning peer pressure, sex, drugs, alcohol, and mental illness.

Knowledge found only by doing

The industrial arts department offers courses in the basic field, as well as advanced classes which a student may pursue as a possible career. Courses offered in woods, construction, technology, electricity, electronics, power mechanics, photography, and metals provide basic knowledge and first-hand experience for students in these various fields.

Home-economics no longer consist of just typical cooking, cleaning, and sewing. Mrs. Clevenger also teaches skills ranging from reading labels on canned goods to how to acquire a loan when purchasing a car. The girls and guys, yes guys, choose classes from interpersonal relations, housing, foods, clothing, family management, and independent living.

The world of math

From the beginning of first grade, students are taught to work with numbers. The mastery of simple addition and subtraction problems provides the foundation for more advanced math in algebra, geometry, and calculus. A good math background is important for students whether they plan on furthering their education or not. Math will be a part of each person's everyday life whether it pertains to a trip to the grocery store, managing a household budget, or running a business. M-G's math department has also expanded its curriculum to include work with computers so that the students can meet the challenges of today's world.

Music, Music, Music

Practice and more practice is the main ingredient to success.

Members of the music classes are either talented in a musical instrument or vocally talented to be a part of our music department. Each of these organizations participated in parades or contests of many kinds and different levels. Mr. Lamb has been head of the band department for the past 20 years. Mrs. Sharkey has been kept busy with choir, chorus, and Arguys & Gals.

We want to take this opportunity to thank all the members and the sponsors for representing M-G. The class of '89 appreciated all you did to make the graduation ceremony very memorable.

Focus on communications skills

Our English language is one of the most important elements of learning. Communication skills provide the necessary basis of all further knowledge. The following curriculum is followed in the Language Arts Department to assure that M-G graduates have adequate communication skills. Starting with the Class of 1989, four years of English are required to graduate. A large amount of time is spent learning grammar, studying different genres of literature, and perfecting composition skills by writing themes. By the end of their senior year, students have written nearly 50 themes to better prepare them for college.

The publications class is one of the special-

ized communication classes offered by the department. The students' goal is to produce a quality yearbook and newspaper for the student body, while learning the fundamentals of journalism. Pressure is quite normal. The students must learn new aspects of the business from finances, to writing techniques, to new concepts in layout, while meeting grinding deadlines.

Mrs. Herring, Mrs. Burnett, Mrs. Hull, Mrs. Bragg, Mrs. Haviland, and Mrs. Dosh are the capable instructors of the Language Arts Department assisting students in the mastery of communication skills.

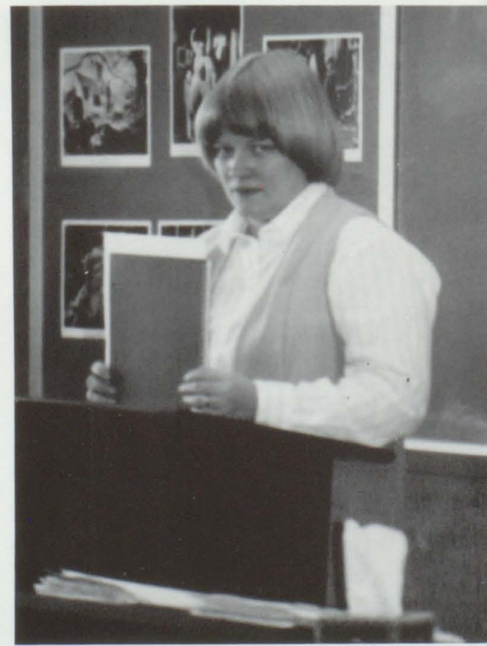

Research skills are important in every class. Ryan Weimer is putting the techniques taught in English class to the test.

"Did you see that babe walk by?" The classics of literature sometimes have a tough time competing with beautiful women!

With attendance taken, Mrs. Dosh is ready to begin a discussion with one of her freshman classes.

The yearbook staff works diligently to tally the "M-G Hit List" and "Senior Survey."

Up front and behind the scenes

Other important communication skills can be learned in speech and stage and theatre classes. Everyone who graduates from Madison-Grant has at one time or another been a part of one of Mrs. Richards' speech classes. With pounding hearts, and sweating palms, many students have learned to stand in front of an audience and present their ideas and opinions. Speech classes learn about radio, television, theatre, and advertising, as well as the importance of effective communication. Most students take speech as freshmen, but what is learned in speech class can be used not only throughout high school, but throughout life.

Also taught by Mrs. Richards are the 5th and 6th period stage and theatre classes. Here students learn to properly use the auditorium and its facilities. This hands-on training course teaches students to create sets, run lights and sound, usher, and manage a stage. Stage and theatre students have helped in the production of all three plays this year as well as many band and choir concerts and other events.

The M-G science department offers twelve different courses in all areas of study — from biology and earth and space for the beginning students to advanced chemistry and physics for those students who enjoy a challenge.

A major part of the science classes include the labs: dissection of rats for Mr. Davis's physiology class, cats in Mr. Martin's zoology

class, and working with dangerous chemicals with Mr. Earnest.

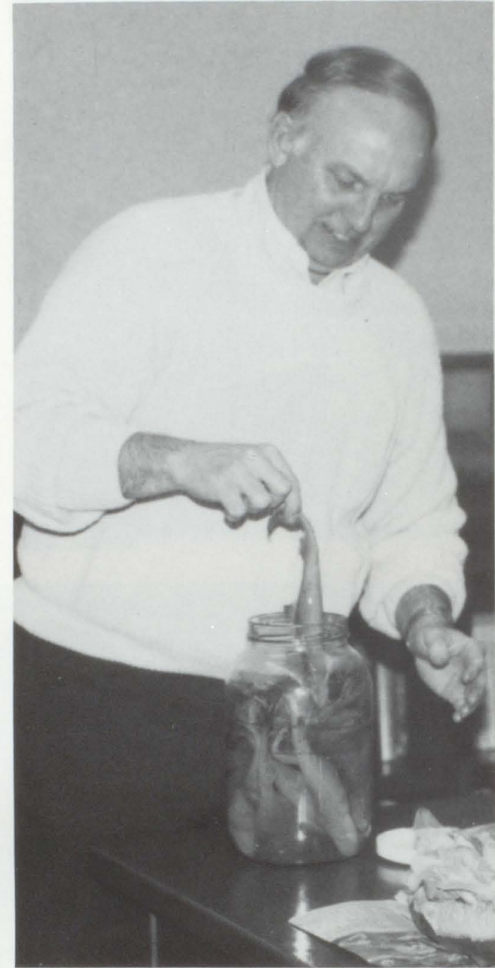

Students who take courses in science have the opportunity to learn about the natural world, plus science offers a challenge to students seeking the answers to difficult questions by experiment and calculations.

Students in the special education program are enrolled in Miss Henricks' class for up to 4 periods each day, where they receive individualized instruction in academic areas at the appropriate skill level. Time is also devoted to learning the life skills which will allow him/her to become responsible employees, consumers, and citizens.

Learning disabled students spend 1 or 2 periods each day with Miss Henricks or Mrs. Shock. Some are instructed in academic courses; however, most are provided with supplementary assistance. This may be in the form of aid in completing daily assignments, extended test time, or oral testing.

Looking back . . . moving forward

A person can better prepare himself for the future if he understands the past. It is the objective of the social studies department to provide this opportunity for M-G scholars. Students can take a more active and responsible role in today's society if they realize how a societies' past actions and decisions affected life both then and now. As the social studies department teachers have shown us, history is an ever-changing process. Discussions in B-hallway include events from the past, such as the Civil War as well as current topics concerning democracy, laws, and how they affect the way our government is run. The teachers in the department are: Mr. Stone, Mr. Badger, Mr. Bennett, Mr. Kirkwood, and Mrs. Burnett.

SPORTS

First and Ten

The fighting Argylls started the season off with a disappointing 13-34 loss to Western, but the Argylls did not let their hopes diminish as they came back to win a close game against Alexandria 21-20. After two difficult losses to Mississinewa and Blackford, the Argylls came home for homecoming against the Wabash Apaches where they were victorious with a 34-20 win.

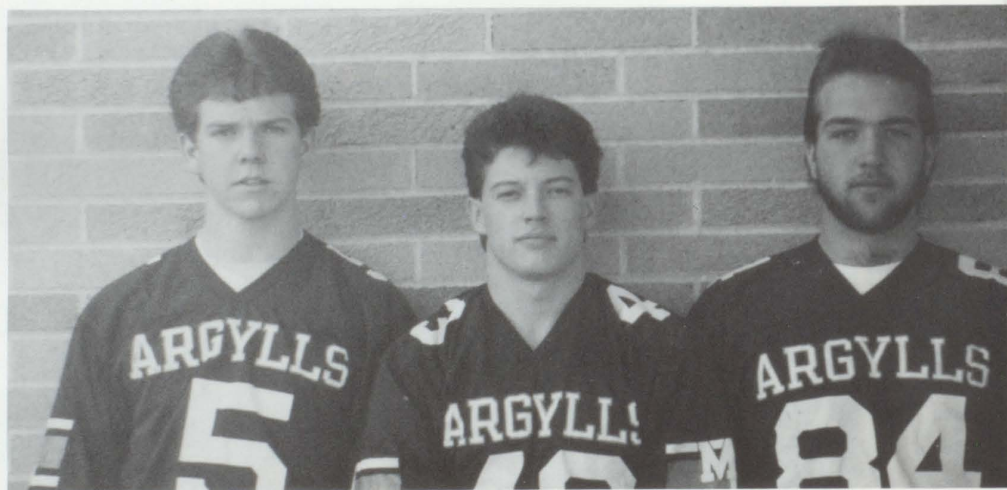

After losing to Tipton and Elwood and then defeating Peru, the Argylls went into the sectional against the Eastern Comets. When the sea-saw battle in the rain was completed, the Argylls came up short with a 26-27 loss. With their loss the Argylls fell short of their expectations with a final 3-6 record.

This year's football season brought out many outstanding players. Ted Davis, Brent Brewer, and Jeff Kelich were selected to the Central Indiana All-Conference Team. Davis was selected to the Central Indiana All-Conference Offensive team, Brewer was named to the All-Conference Defensive team, and Kelich was selected as the All-Conference Punter. Congratulations to these players on receiving this great honor!

Chastain named to All-County All-Conference

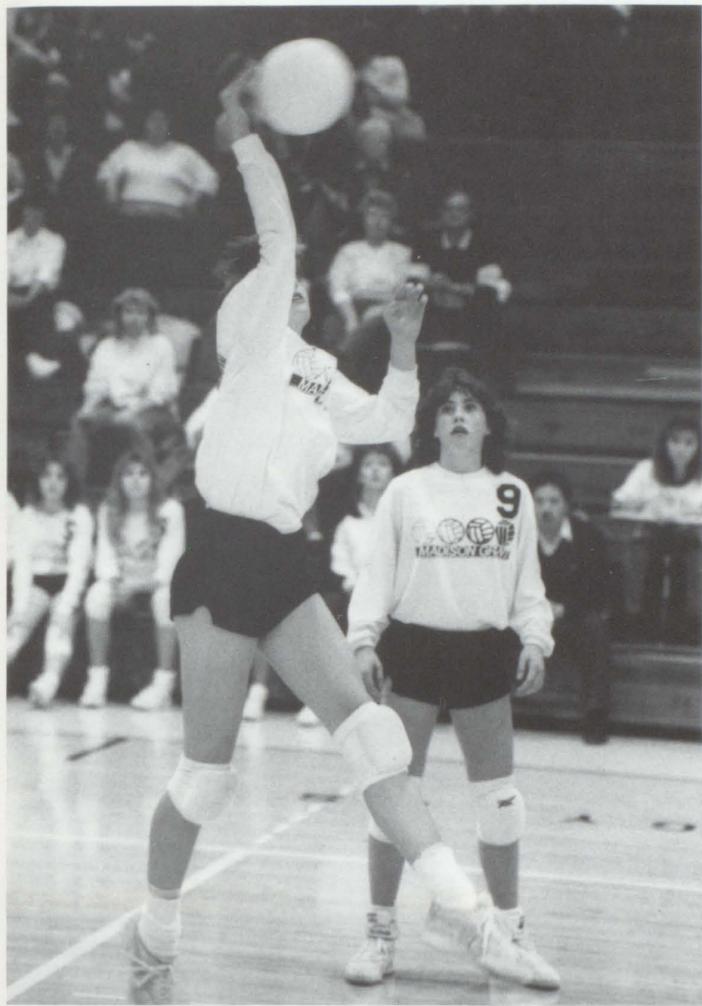

The varsity team had a rough season this year, finishing with a 4-24 season and a 2-5 conference record. The team was young, but by mid-season the girls' confidence and experience were built up. Amy Chastain, senior, was named to both the All-County and All-Conference volleyball teams. Kelly Welborn, junior, was named to the All-County volleyball team.

A young and inexperienced J.V. team struggled hard to overcome the disadvantages of being a team comprised of mostly first year members. The girls were able to play seven Freshmen matches. The additional playing time and increased confidence was evident at the B Invitational. The lady Argylls were victorious. This win highlighted the year and brought the season record to 3-14 and the conference record 1-6. The younger ladies are the foundation of the program and in a few years, should develop into a strong varsity team.

Losing streak ends, Curse is broken

The curse is broken! After a two year losing streak, M-G rose to a victory by defeating Yorktown 3-2. The teams turning point centered around their first win. The players confidence improved. The level of play improved as well. The team completed the season with an outstanding 7-9 record. The boys finished 4-2 in CIC play. Traveling to Marion for the sectional, the team played Bluffton in Game #1, and won. Mississinewa was their second opponent, and they continued to win against them. The season was ended in the next round of sectional play to a strong Marion team. Congratulations to the tennis team on a great season!

Callahan named to Academic All State Wrestling Team

Wrestling coach, David Gardner, was pleased with the record of 8-9 his wrestlers compiled this season. With just a little luck, this could have been 14-3. A highlight of the season was qualifying 3 wrestlers for regional; Callahan, Belville, and Sprinkle.

The team was led by John Callahan with a season high of 25-5-1. He set many records and led with 65 takedowns, 38 nearfalls, and 14 pins. John was also named to the Academic All State Wrestling Team. No other Grant County wrestler received this honor.

John works for another of his 14 pins.

John, Craig, and Scott are regional qualifiers.

The Argyll spirit that leads to victory

Madison-Grant cheerleaders had a lot to cheer about during the 88-89 season. The year began early when the squad won at a Fort Wayne competition. With the local win behind them, they set their sights on an even higher goal. At the Ohio Cheerleading Camp the girls were named Champions of Camp America and won the right to compete in the National Cheerleading Competition in Dallas, Texas. The squad decided to accept this challenge and traveled to Dallas to compete against 900 other girls from around the nation. Although they didn't win any awards, they learned a lot and had the experience of a lifetime!

Back home after the holidays, the squad cheered the team to a Grant Four Championship. A second sectional title was in reach and the girls and the team certainly proved to Marion, the #1 ranked team in the state, that the Madison-Grant Argylls would not relinquish their crown without a battle.

Jamie and Shelly shout out their spirit.

Varsity "A" cheerleaders are: Jamie Curless, Kathy Hamilton, Laurie Record, Jodie Watson, Shelly Strase-meier and Brooke Sultz.

Laurie Record helps keep the crowd's spirit up at sectional.

The Madison-Grant cheerleaders cheered in National Competition in Dallas, Texas. This was a great honor for Madison-Grant.

Varsity "B" cheerleaders are: Lori Curless, Aleta Callahan, Tisha Underwood, Mina Havens, Raean Compo, and Mary Richards.

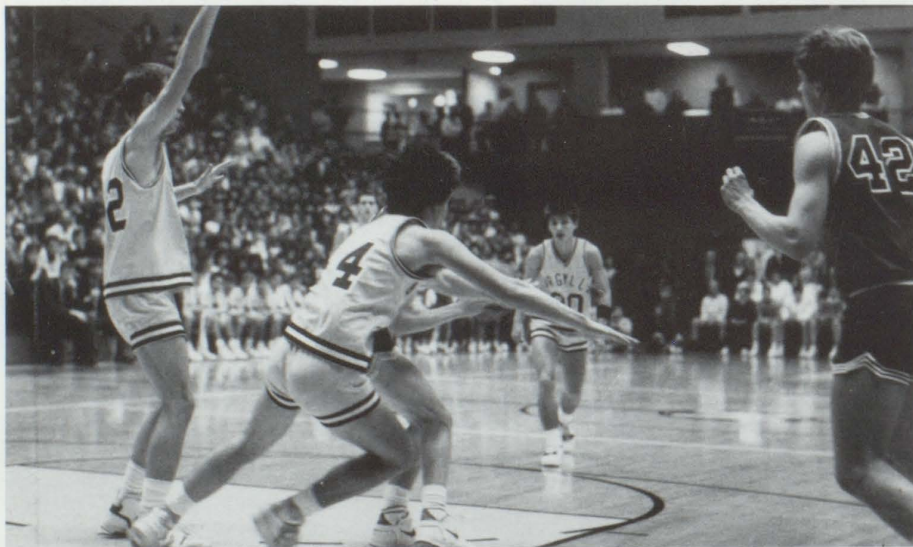

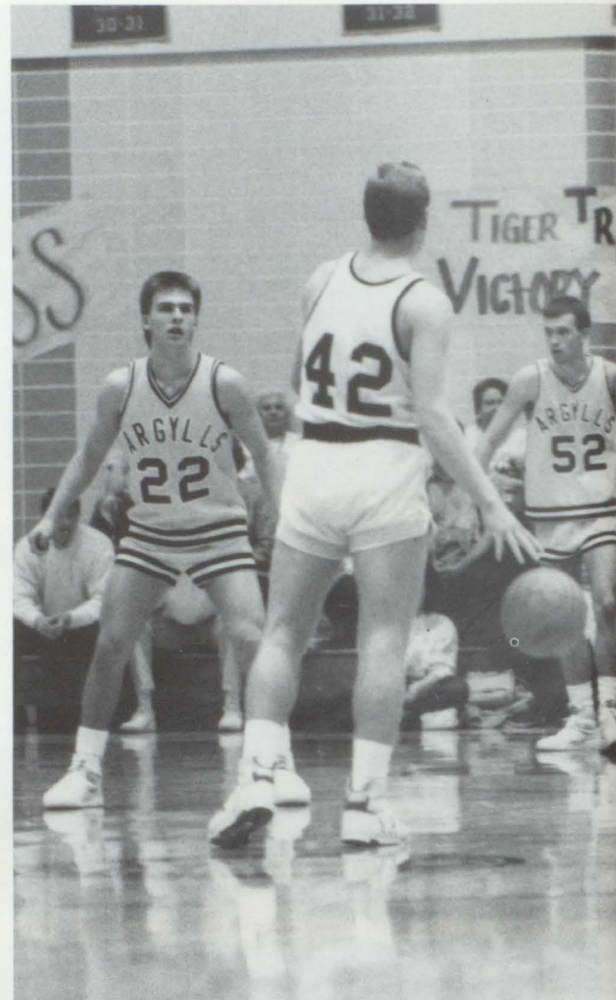

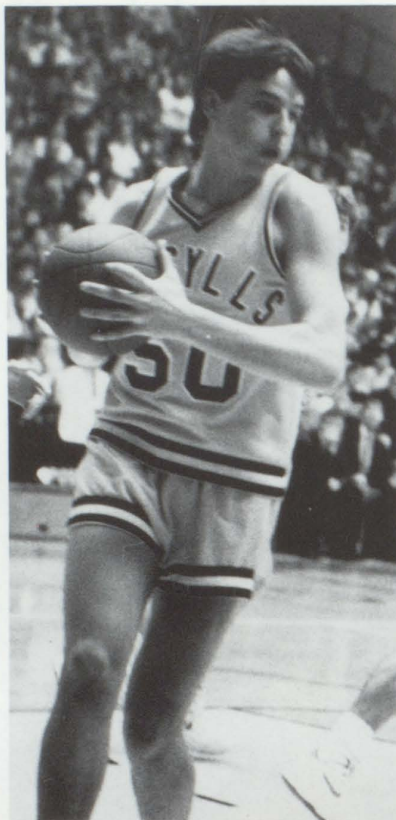

Freshmen cheerleaders are: Kim Love, Julia Cash, Keri Williams, Cathy Amick, and Kelli Flora.

Argylls set school record

The 1988-89 boys basketball team finished their season on a sour note with a tough loss to the Marion Giants in the semi-finals of the Marion Sectional. Although the Argylls did not maintain their sectional championship from the year before, their season was far from average. The Argylls finished with the school's best record ever, 17-5. The Argylls accomplished many things during the season, including winning the Grant Four at Oak Hill and setting the school record for most consecutive wins at six.

The Argylls finished third in the Central Indiana Conference with a 5-2 record, behind CIC Champions Tipton and Conference runner-up Alexandria.

The Reserve Argylls also had a great season of their own, ending with a 16-4 record. The J-V Argylls were 6-1 against other conference reserve teams, which included a double-over-time win against Tipton. The Junior Varsity was led in scoring by Scott Reese while Colin Hindman and Chad Hinshaw took care of the rebounding.

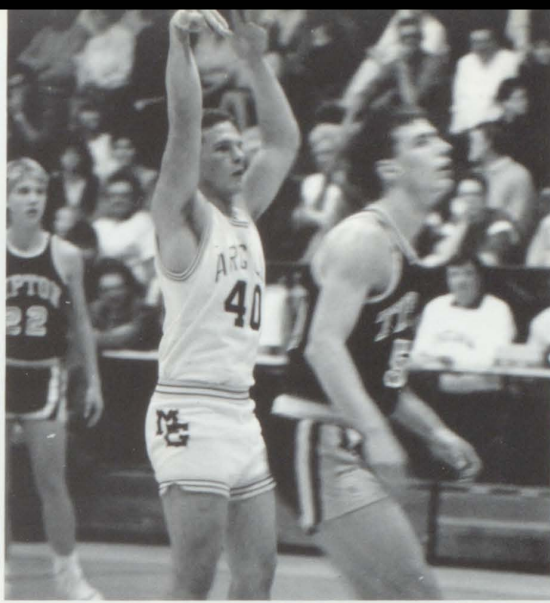

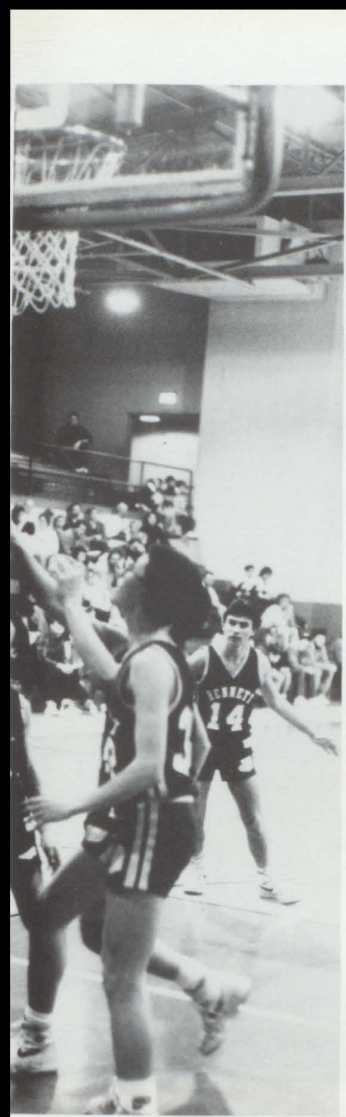

The 1988-89 Freshmen basketball team had a struggling season, ending with a disappointing 2-16 record. The freshmen were left without a key big man due to the fact that Colin Hindman and Chad Hinshaw played on the reserve. The freshmen were led by Ben Wilson and Doug Harrold, who later joined the reserve team after their season was over.

Five Lady Argylls qualify for the Grant County All-Academic Team

Meador & Underwood voted All-County Honorable Mention

The Lady Argylls began their 1988-89 season by defeating Bennett. They came back after Christmas break to gain their second victory by outplaying Oak Hill. After Tracy Meador and Leann Butler were honored on Senior Night, the Argylls ended their season 3-17 by beating Southwood. Tracy Meador led the Argylls with an average of 12.6 points per game.

The Junior Varsity, also a young team, had a final record of 3-11. Their games were paced by freshmen Cindy Forrester and Randy Titus who averaged 4.7 and 4.5 points per game respectively.

Tracy Meador and Mindy Underwood received Honorable Mention on the All-County Girls' Basketball Team.

Mindy Underwood, Leann Butler, Audrey Alexander, Lori Love, and Anita Small were named to the All-Academic Team.

Hole in one!

The 1989 M-G golf team was comprised of 12 guys and 1 gal. Kelli Flora is the first girl to play golf at Madison-Grant in Mr. Bach's tenure as a teacher and coach. Coach Bach will accept anyone who can be competitive. However, if Kelli continues to improve and play varsity someday the team will be penalized because sectional rules will not allow her to play.

Because more students were out for golf the playing positions were more competitive. Most team members showed improvement in their average scores. Jeff Leckron advanced the most, shaving 2 strokes per 9 holes off of his score.

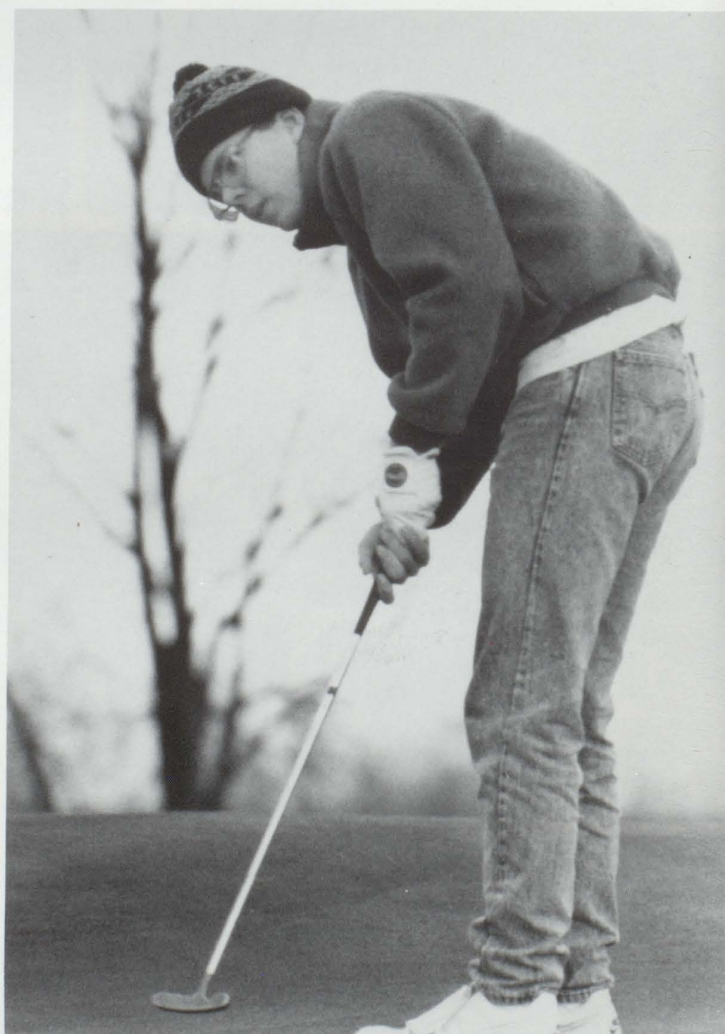

With only two seniors graduating, Doug Hanes and Jeff McHenry, the returning golfers should form a strong foundation for next year's team. To be more competitive though, more out-of-season practice will be necessary.

M-G tennis team is on the ball.

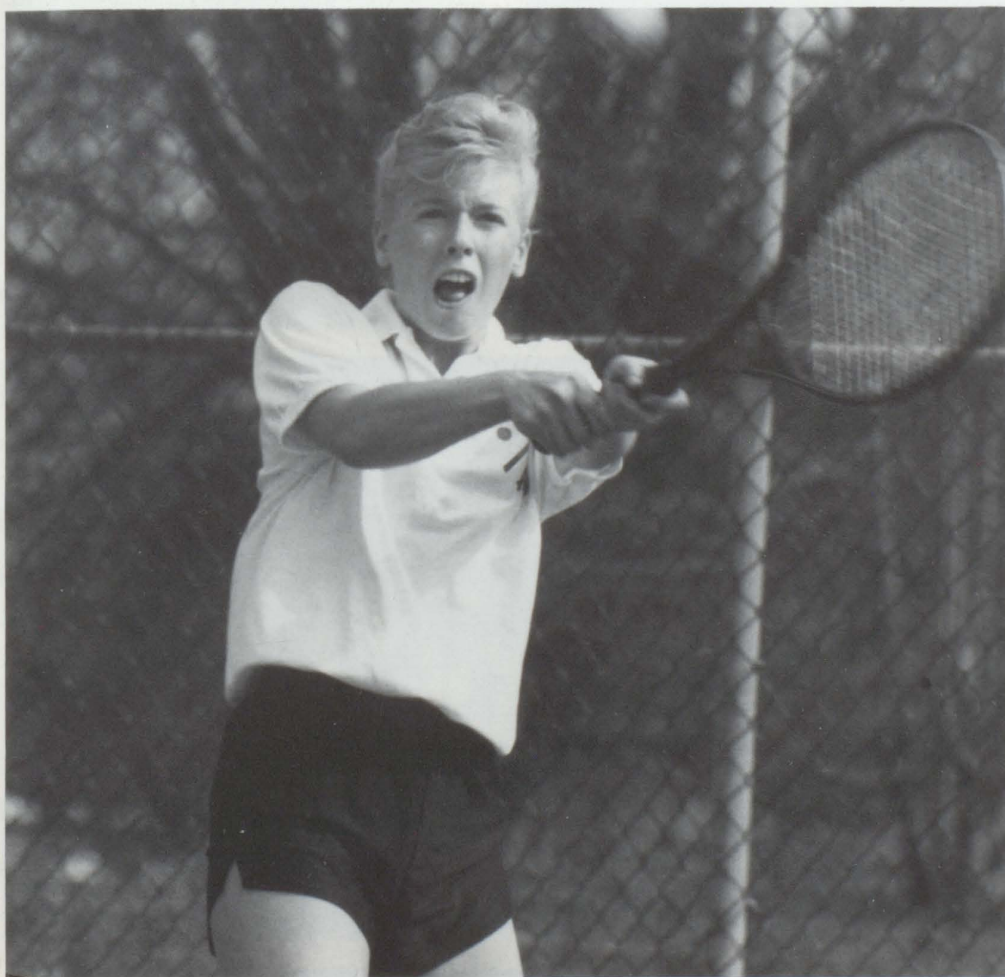

The M-G girls' tennis team possessed the experience, the skills, and the desire to achieve their goals for 1989. The varsity team lost only two players from last year and gained many experienced J-V players.

Amy Chastain played number one singles this year, while Jennifer Hoke moved to the number two position and Monica Bunch filled the number three position. The number one doubles position was filled by Angie Armstrong and Lisa Key who took advantage of their experience in playing together. Amy Alexander and Kathy Hamilton played number two doubles for their first year on varsity together.

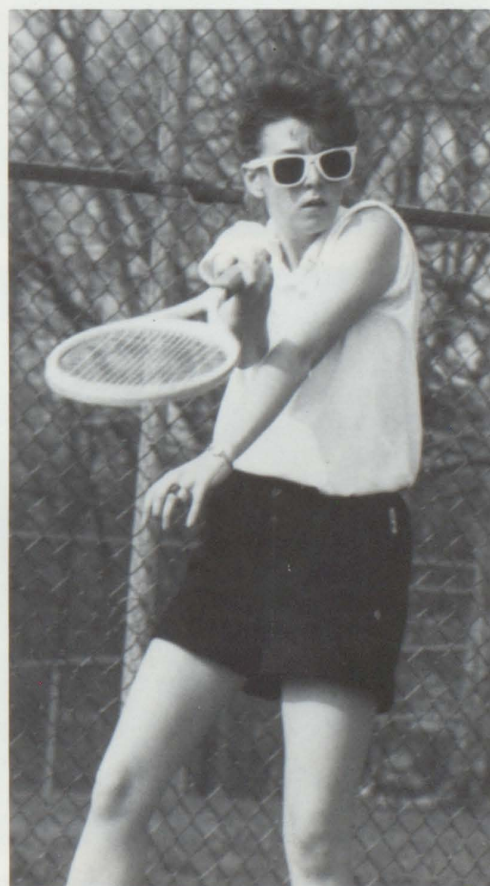

The J-V team had a lot of newcomers this year. At number one singles was Michelle Kline, Hyla Chastain improved her skills at number two singles while Lauren Downing played at number three. The J-V doubles teams consisted of Dawn Trout and Raean Compo at number one doubles and Pam Allen and Leann Butler at number two.

Track: something for everyone

The boys track team added a lot of young talent to an already experienced team. Key point winners leading the team to a winning season were: Brian Carey, top hurdler; Jeff Kelich, #1 in disc and shot; Todd Butcher, high jump record the 1st year on the team; Shane Kirkpatrick, middle distance specialist; Jeff Moore, top sprinter, and Peter Selby, winner of some 400's and 200's.

A young girls' team gained a lot of experience and are expected to have a good '90 sea-

son. Leading the way for the girls with excellent performances were: Deanna Gray in the shot put and discus; Amy Alexander, hurdles; Angie Reeves, lead dash winner; and Tonya Monroe who set a school record in the 3200.

A season of trials

The 1988-89 Varsity baseball team had to contend with "Mother Nature" during the first part of the season just to be able to get onto the baseball field.

The 1988 Argyll baseball team graduated Donny Rhoads, Tom Small, and Chris Hunt, but was left with many experienced underclassmen.

The Argylls got off to a good start with a win over Eastbrook, but suffered some tough losses in a stretch that included Oak Hill, Marion, Taylor, Alexandria, and Yorktown. The Argylls came back with a victory over

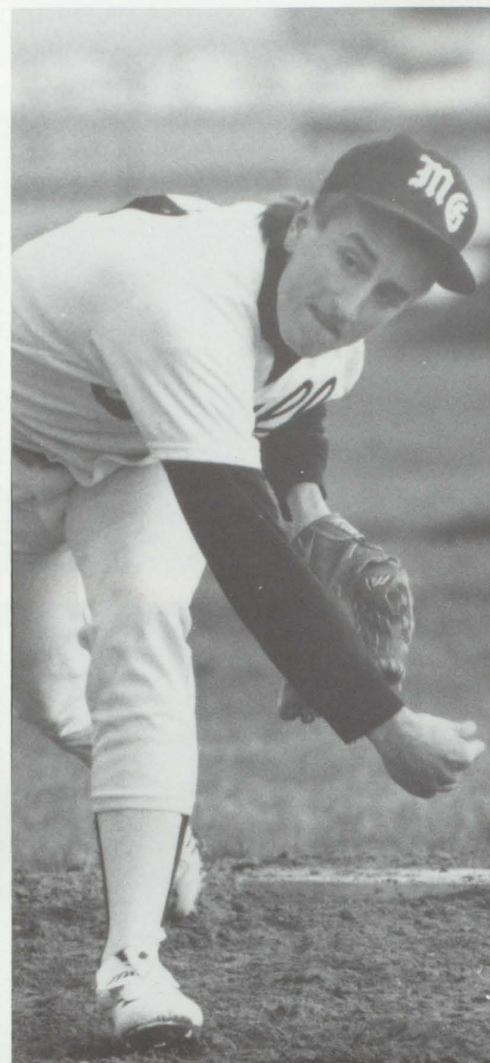

Bennett, but just didn't have what it took to beat CIC rival Elwood.

Even with the "rocky" start, the Argylls used their experience and determination to carry them into the Grant-Four and sectional tournaments.

A Step Beyond . . .

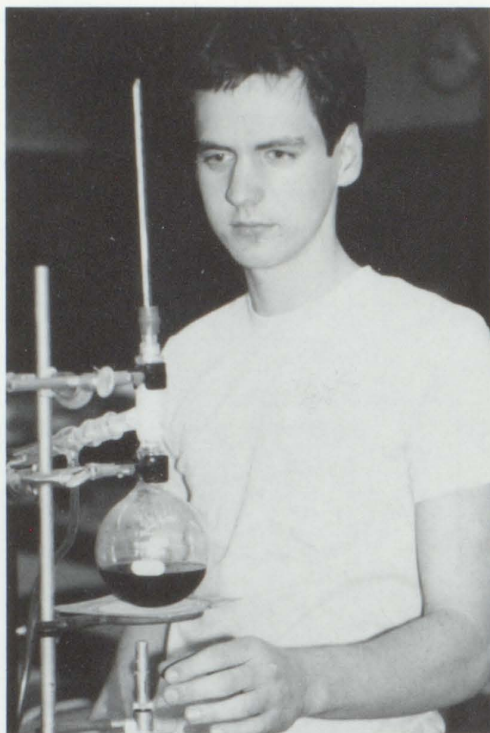

Each year, many Madison-Grant students are honored at the awards programs presented to recognize those students who have worked hard to attain academic excellence. Many awards, plaques, certificates, and monetary scholarships are given to deserving students in each academic area.

From day one, the individuals who are honored work hard and struggle to maintain excellence in all that they do. It is these students who can be found staying up late at night to prepare for a test or type a theme. M-G is proud of the many students who have excelled in academic areas and few will disagree that the awards presented to these students are greatly deserved.

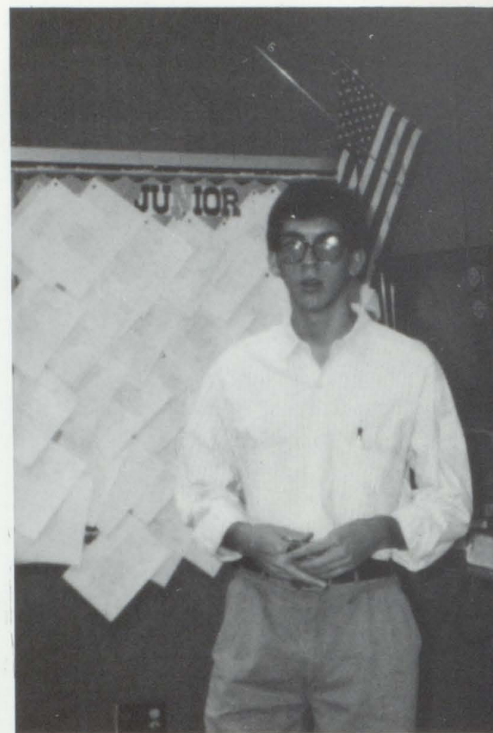

Mr. Martin and Mr. Gardner enjoy this "job" . . . recognizing academic excellence! Junior plaque recipients were: Amber Burton, Lisa Cook, Jennifer Ferguson, Gaye Jarvis, Kelly Jenkins, Lisa Key, Jason McCord, Laurie Record, Mark Rosenthal, Scott Sprinkle, Jay Thomas, Mindy Underwood, and Mitzi Wisler. Senior paperweight recipients were: Pam Allen, Brent Brewer, Monica Bunch, Leann Butler, Amy Chastain, Stacey Chidester, Jamie Curless, Doug Hanes, Trent Jones, Shane Kirkpatrick, Jeff McHenry, Elizabeth Peterson, Beth Scott, Peter Selby, Brooke Soultz, Jason Trader, and Shannon Underwood.

Mark Rosenthal is one of thirteen juniors recognized at the April 26th Scholarship Awards night. Dr. Robert Huff, superintendent, presented his award.

Doug Hanes was one of two M-G scholars to be named as a National Merit Scholarship Finalist. He received numerous other awards for academic excellence, including Honorable Mention to the county All-Academic Team.

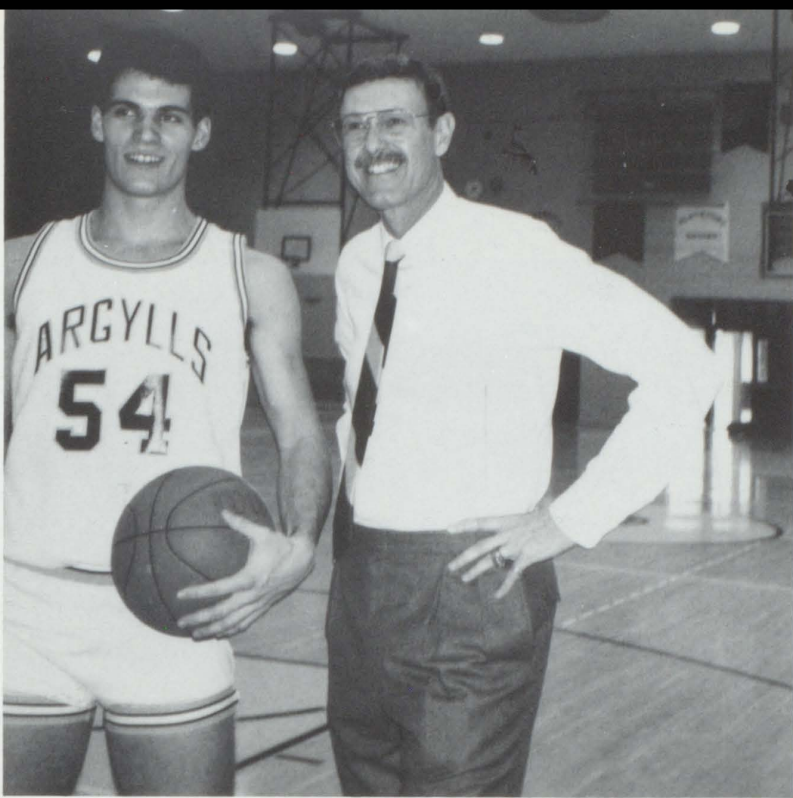

Shane Kirkpatrick was M-G's second National Merit Scholarship Finalist. Only half of 1% of American high school students receive this award. Shane was 1 of 10 area students named to the All-Academic Team.

The Jazz Band helped honor thirty juniors and seniors at the Scholarship Awards presentation.

Peter Selby, recipient of the Don Hein "Something Special Award," came as no surprise to the M-G community. He was also named to the Grant County All-Academic Team.

Junior Amber Burton receives a plaque for her academic efforts.

Jeff McHenry is one of 17 seniors to receive paperweights for his achievements.

Jamie Curless is rewarded for 4 years of hard work.

An Evening Of Fantasy

The junior class presented "An Evening of Fantasy" to the senior class on Saturday, May 6, 1989. Weeks of diligent work enabled the juniors and their sponsors to transform the Marion Inn into a Fantasy Land complete with castles, swans, and other dream-like effects. It provided a perfect setting for couples to get lost in a world of their own.

The dreams of Stacey Chidester and Todd Butcher were fulfilled when they were crowned by special guests, Christy Pulley and Mark Watson, last year's King and Queen.

As the evening progressed, the students played games in the royal country of Monaco. With the money won, they then purchased items at the auction — items they never dreamed of owning. The efforts of the class, sponsors, and parents truly made the evening of fantasy a night to remember.

Molly and Kyle dance the night away.

GRADUATION

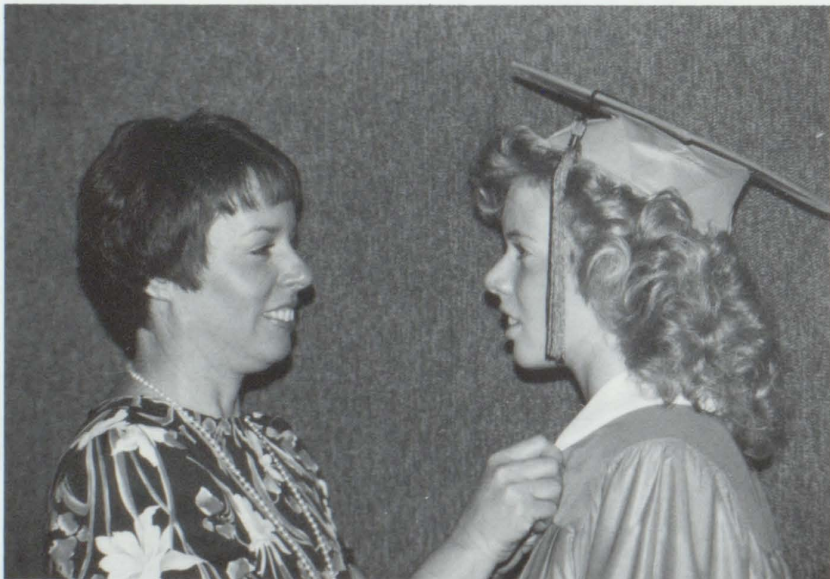

Remember back in first grade,
 We thought we were so old,
 The day that we had show and tell
 And brought in some "fool's gold."
 Remember a few years later,
 We thought we were divine
 We teased the first grade babies,
 At the ripe old age of nine.
 Remember back in sixth grade
 We looked at him with a sigh
 And dreamed of all the coming days
 In the huge junior high.
 Now it's eons later
 As graduation day draws near
 We think of bittersweet memories
 And remember yesteryear,
 Remember the hello's and laughter
 Talk over all our fears,
 Reflect on learning and sharing
 Before the goodbyes and tears.

"Only twelve more years to go!"

Beth smiles even though her cap falls off and ruins her hair!

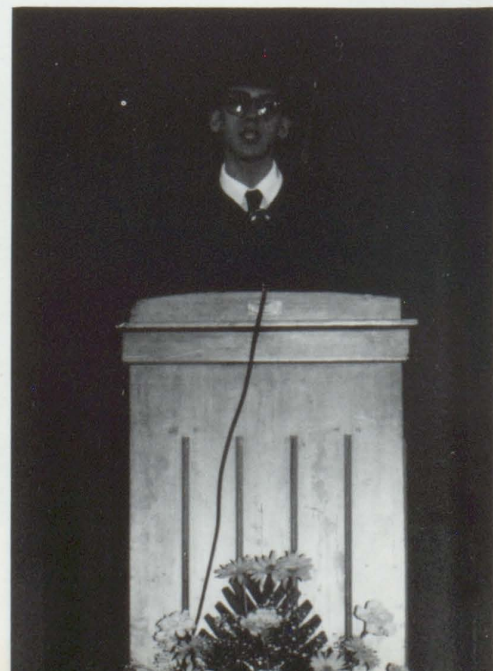

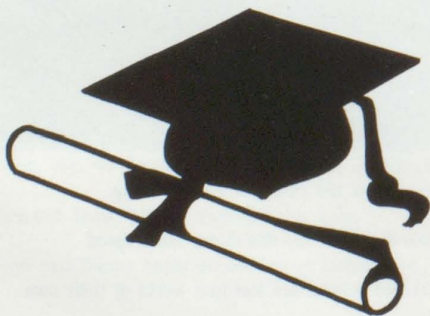

Mrs. Chastain shares a proud moment with her daughter, Amy.

Brooke and Shannon get a well-deserved congratulations from Mr. Martin.

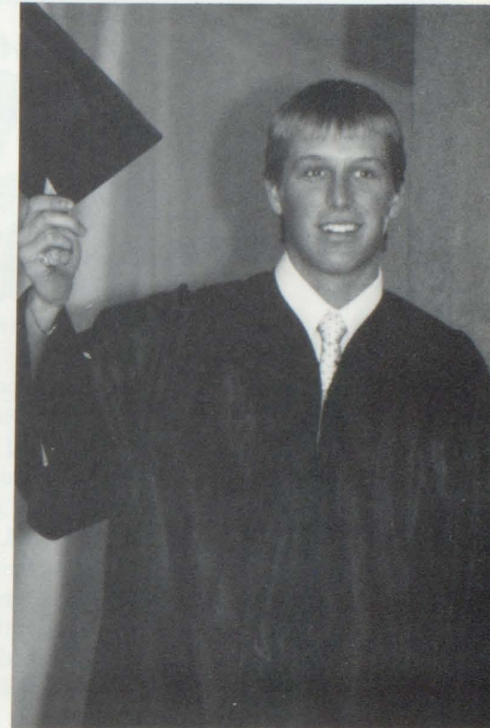

Brooke Soultz, senior class speaker, encourages her classmates to follow their dreams.

Shane Kirkpatrick then stresses the importance of "Today well-lived . . ."

Leigh Welborn and Scheri Stanley reminisce . . . "It seems like only yesterday."

Hats off to the class of '89!

Sharing valedictorian honors are: Doug, Peter, Shane, and Brent.

Leaving fond memories behind, it's time to move forward.

Friends share some last goodbyes.

Looking back . . . moving forward

The 1989 neObliviscaris staff has enjoyed looking back at the many fond memories, varied learning experiences, and special individuals who have helped us to become the people we are today. We realize the profound impact each of these areas has not only on the present — but our future.

Our community doesn't have to look very hard to see how the efforts of a high school senior can be a stepping stone to a future career and success. Jim Davis, creator of Garfield, needs no introduction to the proud community who first enjoyed his doodlings while attending Fairmount High School. Through the efforts of our photographer, Mindy Underwood, and her family we are excited to share a special surprise with you. Below is Jim's work as it appeared in the 1963 yearbook. To the right, Jim has created just for us a reminder that we all keep moving forward, but everyone enjoys looking back and remembering . . .

HERMAN & HERBIE 25 YEARS LATER...

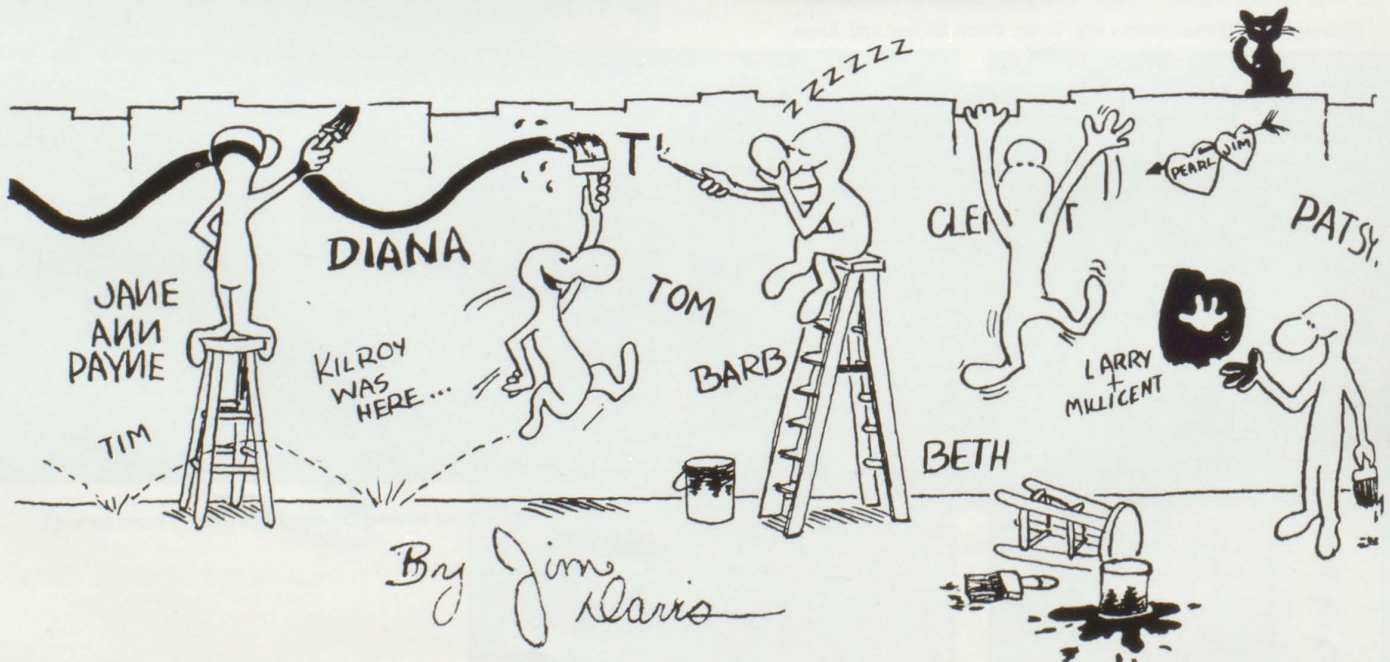

HERBIE IS A SCHOOL BUS DRIVER. HE PICKED UP JOHN MICHENER'S ROUTE.

HERMAN IS A SUCCESSFUL WALL STREET STOCK BROKER. HE HAS TWO GRANDCHILDREN, AND ONLY COMES BACK TO FAIRMOUNT FOR FESTIVAL DAYS.

The entire yearbook staff took part in the 1989 advertising campaign. The money generated from this successful campaign kept the cost of the yearbook at a minimum to students and allowed more color pages. We truly appreciate the support of our advertisers and patrons and salute our two top salespeople — Criss Gibson and Shelly Strasemeier. Both young ladies had over \$500. in ad sales.

TODAY'S
CHEVROLET

As a first year advisor with no experience and a staff of almost all first year personnel, it was difficult to make editorial and division assignments. Therefore, each member assisted in writing copy and captions, layout, and typing of each division.

The quantity and quality of work done by a few individuals deserves special recognition. Mindy Underwood and Stephanie Gilbert, both efficient and dependable, consistently worked for excellence in photography. Chris Nunn became a master of all trades and willingly performed any duties asked of him. Criss Gibson tackled the tedious task of typing the senior directory and index in addition to typesheets. My deepest gratitude and appreciation goes to Susan Hartley. Her relentless efforts are evident on each page. Acquiring the editorship at mid-year, she became responsible for the majority of final layouts, proofing, and indexing. She is pure gold!

Finally, we are indebted to Mr. Larry Glaze, Herff Jones representative, whose support, creative ideas, and experience enabled us to proudly present to you the 1989 neObliviscaris. We have enjoyed looking back and sharing memories with you and are anticipating the challenges of moving forward.

Advisor,
Mrs. Donna Haviland
