Senior Class of 1939

F. H. S. saw in 1935-36 the largest Freshman Class yet to enroll. Five score and five started on their adventure of education together.

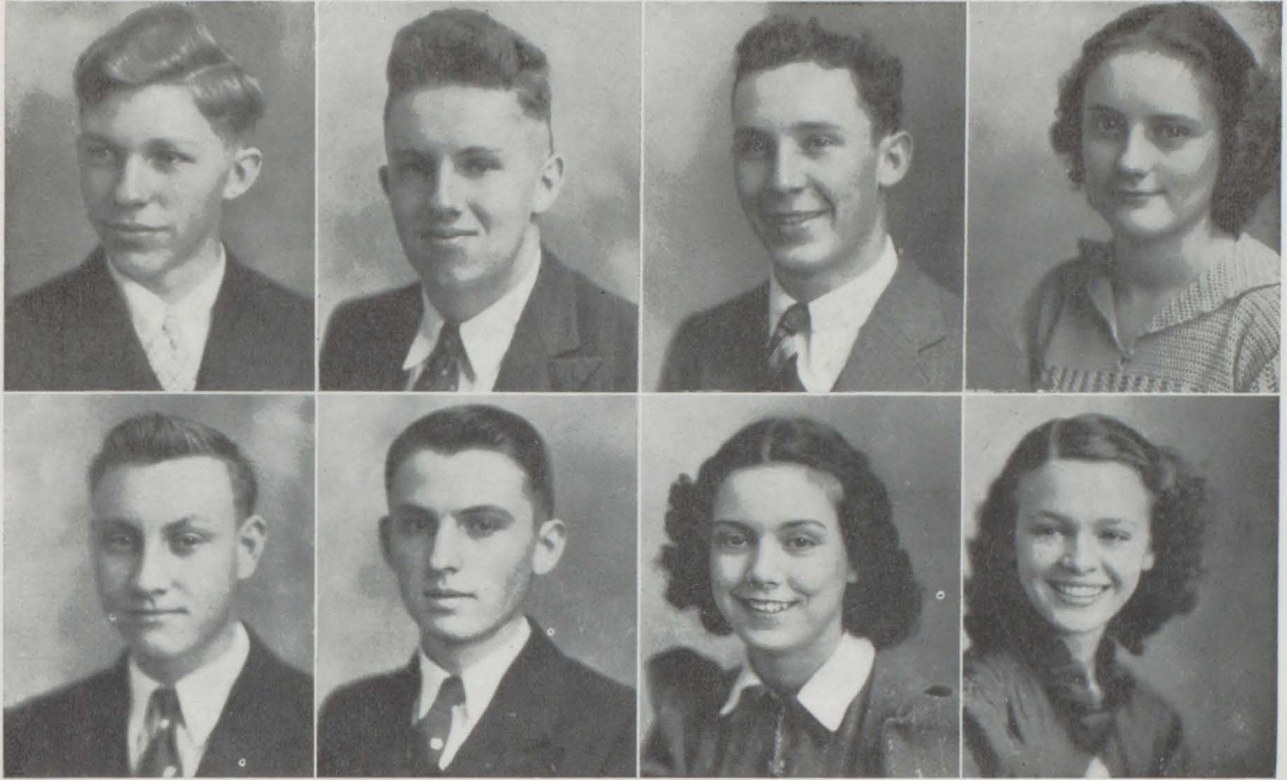

Flag Day and Freshman Day served as entertaining highlights for these beginners, as well as a kid party, and a skating-theater party.

The following year the Sophomores sponsored the silent movies "The Champion" and "Nobody's Business", which started the treasury fund. The attendance award of a trip and a day off from school was won by this class, then the largest in school. This year marks the highly successful Hard Luck Party with Hunter's Stew as refreshments, and nearly a one hundred per cent attendance.

As Juniors, the great problem of money-making was before the eighty-five students. The play "Comin' Thru the Rye" was given, which managed to be a success in spite of the bad weather. A Valentine Box Social and a program by Judith Wright was sponsored to add to the fund for the Junior-Senior trip. The trip at the end of the year was taken to McCormick Creek State Park. Parties this year were a Hallowe'en and a Hard Luck Party.

To look back over this large class, there meets our eyes some outstanding achievements of some of its members. The election of Hilda R. Mitchener as Beauty Queen of the Freshman Class and Beth Lynch as Relay Queen in her Sophomore year helped bring the '39 class to attention. Forrest Smith then won a watch and a cash award for his speed at the State Junior Corn Husking Contest. Later Donna Ruth Couch represented F. H. S. in the District Latin contest and Albert Velasquez went to the district in a Math contest. Martha Parson won the W. C. T. U. temperance oratory contest during the Junior year. Eileen Elliott, Barbara Brewer, Francis Dowling, and Janiece Jarvis served as office girls for Mrs. Gilbreath and Harriet Rigsbee for Mr. Galey during the Senior year.

The class of '39 owes much of their name for originality in their choice of class colors, parties, and new types of entertainment to their sponsors. Miss Nina Martin and Mr. Paul Malaska were privileged to guide these up-and-coming Seniors on the last mile of their journey. Sponsors of the class in previous years were Miss Lucille Lewis, Mr. Wesley Bush, and Mr. Lawrence Gotschall.

Freshman Class

The Class of 1942 started their Freshman year with about eighty members on its roll. The first activity was that of Freshman Day, when the "greenies" were properly initiated into high school life by the Seniors.

After becoming full fledged students of F. H. S., they selected their class officers. Leland Compton, winner of last year's Kiwanis award, was selected president; Bill Beasley was named vice president; with James Everhart as secretary-treasurer; Ruthanna Sutton was chosen social chairman for the year.

Their big social event of the year was a Hallowe'en Party at the home of Marabelle Haisley.

Athletics

Mr. Raymond Elliott

ATHLETIC MGR.

Paul "Pat" Malaska, the Fairmount basketball mentor, who came to Fairmount fresh from Purdue, through dint of hard work and patience helped to enable the Fairmount Quintet to annex the County Basketball Crown. Praises are too few for him.

Another man who worked hard for Quaker basketball is Mr. Raymond Elliott, the athletic manager. Through his capable managing and work our team was able to schedule the best possible teams.

"Timber" Smith—Flashy forward, best in defensive work. Timber is one of the five seniors on the team.

"Cowboy" Craw—A diminutive speed-ball, also a forward. Also will graduate this year.

"Minnie" Voorhis—Dependable backguard. A senior who leaves a prominent vacancy to fill this year.

"Gunzle" Sellers—When he played ball, he really played ball. Gunzle graduates this year.

"Buck" Nash—Always to be accounted for in a good game. The fifth senior to leave basketball ranks this year.

"Shorty" Weaver—"Deadeye" was his other name. Team's high scorer this year. Shorty has another year in F. H. S.

"Bib" Carl—He rose from the second team ranks to become a varsity guard. He yet has two years to serve.

"Hank" Corn—The Junior center whose height and ability won several games this year.

"Zeke" Peacock—A sophomore lad whose fighting spirit and ability was unexcelled.

"Dowl" Dowling—Another reserve who saw action late in the year. Will be a future flash in F. H. S.

TRACK SCHEDULE

April 6—Huntington 68, Fairmount 31.
April 14—County at Marion won by Gas City.
April 28—Gas City 85½, Fairmount 52½.
April 20—Montpelier, Fairmount & Winchester.
April 29—Kokomo Relays.

May 5—Fairmount Relays.
May 9—Pendleton.
May 10—Wabash.
May 13—Sectional (Muncie).
May 20—State.

The highlight of the track season came when "Chuck" Smith placed first in the 440 at the district meet, with a time of 53.2 seconds, and also coped honors in his specialty, the low hurdles, at a rate of 24 seconds flat.

"Chuck" again brought F. H. S. fame when he placed second in the 440 yard dash and came in fifth in the low hurdles at the State meet in Indianapolis.

The Fairmount High School Track Team opened their season at Huntington. The day was very cold, and the meet was nearly a failure because of the weather. Fairmount was defeated in this meet by a 68 to 31 score.

The second meet was the county track meet at Marion. Gas City, Marion, Swayzee, Fairmount, Jefferson Township, and Jonesboro took part in this meet. Gas City won the meet with a total of 51 points. Fairmount was fourth with 13 points. "Chuck" Smith won the 200 yard low hurdles and the 440 yard dash. Albert Velasquez placed third in the mile, and the mile relay team placed third.

The next meet was at Gas City. The team had improved quite a bit and gave a good account of themselves. Fairmount took first in the low hurdles, 440 yard dash, and the mile relay.

The meet with Montpelier was a success only in that the team showed much improvement. The weather was nicer, and the boys enjoyed running. They showed this by finishing only 11 points behind Montpelier, the host team.

In the Kokomo Relays the five points for Fairmount were gained by Charles Smith in winning the low hurdles. His time was 24:4.

During the spring season fate dealt more severely with them and out of six matches they have won two—their victories being Sweetser and Gas City. They suffered two defeats by Marion and the same number by Hartford City.

All members of the squad, with one exception, will return to school next year.

The membership of the F. H. S. Camera Club for 1938-1939 was small with only nine members, but the small membership enabled those nine to spend more time with individual problems. The aims of this club were:

1. A general knowledge of the principles upon which most cameras and enlargers operate.
2. A study of terms related to cameras.
3. A better working knowledge of one's own camera.
4. To improve our individual camera technique in regards to composition, subject matter, and operation.

At the end of the first semester the members exhibited pictures which were discussed and criticized in meetings. Near the end of the second semester a contest was held among the members, there were three grand prizes awarded, and the winner in each of the 14 sections of the contest received an 8x10 enlargement of her or his winning picture.

The club took a trip to visit the camera department of a nearby college and another trip for the purpose of making pictures.

Meetings are held in the Art Room on third periods on Wednesdays. A large part of that time was used in discussing prints that have been made by the members: their weaknesses, how they could have been improved, what caused certain mistakes, etc.

Mr. Kilgore was in charge of the Camera Club.

With the ideals of Hi-Y uppermost in their minds the members of this year's Hi-Y Club under the direction of Mr. Elliott, attempted to make the club mean something to each boy. In order to realize this determination they made out their program to include several types of activities.

Some of the themes which were carried out at their regular meetings were Health and Safety, Vocations and Avocations, Foreign Relations, and Religious Education.

Basil Wimmer served as president of the club this year with Xen Harvey as vice president; Max Compton, secretary; Robert Carey, treasurer; and Clyde Brookshire as sergeant-at-arms.

Basil attended the National Hi-Y Conference at Berea, Ky. last June, and he brought home many useful ideas for the local organization.

Albert Velasquez attended the Older Boys Conference at Danville, Indiana.

Xen Harvey and Donald Phillips were sent as delegates to the State Hi-Y Convention at Indianapolis.

Late this spring officers for next year were elected as follows: Xen Harvey, president; Robert Carey, vice president; Robert McManaman, secretary; Arthur Ferree, sergeant at arms; Donald Phillips, treasurer.
