It's Willkie High . . .

Elwood, with 11,793 residents, 3,174 homes, 27 churches, approximately 150 business establishments, one hospital, three banks,
AND ONE HIGH SCHOOL

WITH 904 students, 45 instructors, 32 classrooms, one gym, one football field, four cooks, four custodians, one auditorium,
AND ALL A PART OF E.H.S.

Though Wendell L. Willkie High School has athletics to take our energy, service clubs to promote good will, and charity in the community, and honorary organizations to recognize outstanding scholars, just like any other high school, there is a peculiar and wonderful distinction which sets it apart and makes it our own beloved
"WILLKIE HIGH"

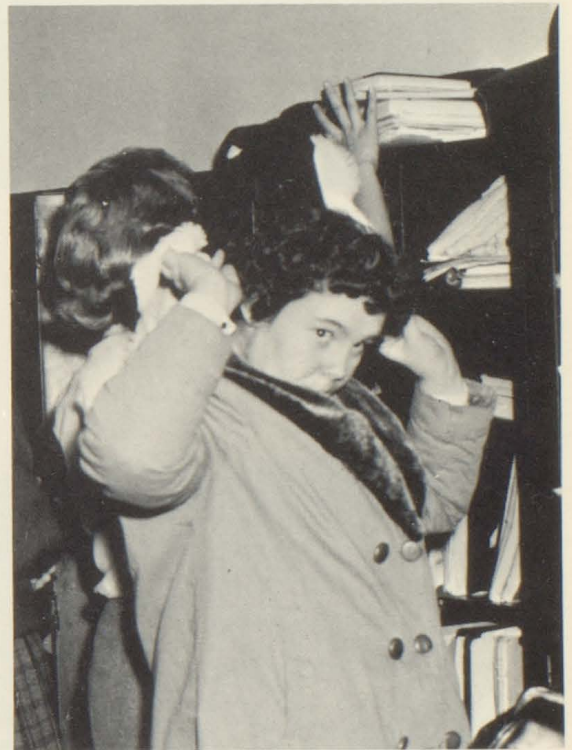

"Willkie High" is more than
Wendell L. Willkie High
School could ever be . . .

It's a part of each student.

More than a building which we must attend each day, it is a place where our lives take shape and our interests grow. It's the center of each student's life. To the students of E.H.S., all the way,

It's Willkie High

In Work —

And In Play

Mr. M. A. Copeland
Principal

Mr. Copeland displayed his talent in the Variety Show.

Mr. and Mrs. Copeland enjoyed chaperoning at the Prom.

In Grateful Appreciation . . .

Mr. Copeland has served Willkie High School as principal for sixteen years. During this time he has exhibited wise and competent leadership and a clear understanding of our problems.

The duties of a principal are many, and Mr. Copeland remained faithful to his responsibilities. He further exhibited his interest in the students by taking an active part in and attending many of the extracurricular activities and by treating us with respect and tolerance.

Through the guidance and assistance which he has given us we have known security and happiness. He has inspired our efforts for achievement and instilled within us the spirit of dignity and hope.

With these words we express our gratitude to Mr. Copeland for the work to which he has dedicated himself for many years.

Mr. Copeland performs one of his daily tasks.

1962 PROM QUEEN

Miss Pat Dooley and her escort, Dennis Elledge, enjoying the excitement of an "Evening in Paris."

Gay Paris enchantment was borrowed from a legendary dreamland on May 18, 1962. The class of 1963 and their prom chairmen, Jackie Rudig and Raymond Webb, created an "Evening in Paris."

Doormen to meet you and French maids to serve you made a perfect scene to recall. Entering the ballroom, soft music played by the band could be heard.

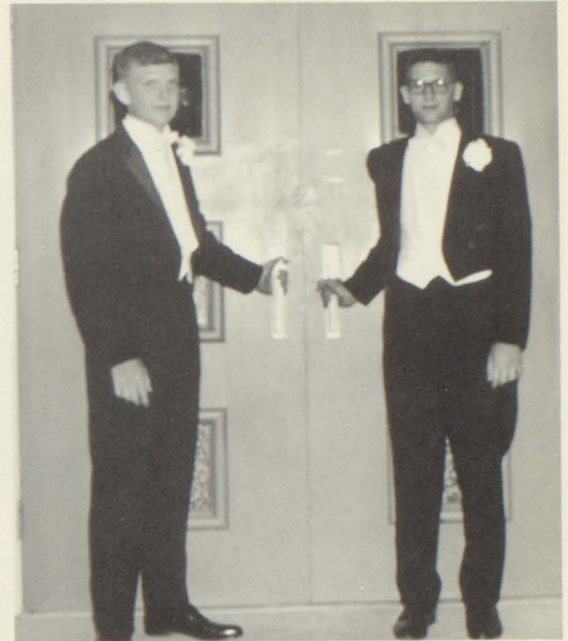

Others enjoyed the evening on the patio where they could gaze at an Eiffel tower and lovely flower carts, while enjoying refreshments at their French tables.

At the climax of the evening, Miss Pat Dooley was crowned as the 1962 Prom Queen.

This night was a dream come true for everyone who attended.

A taste of French culture was added by the appearance of the "oh-so-French" maids.

Prom-goers were greeted at the door by Kevin Tam and David Cotton.

"Evening in Paris" — Enchanting Evening

Carolyn Shepard, Mike Parker, Maurie Fettig, and Karen Thrawl look worn-out as the prom progresses late into the night.

A mild arguement between Buddy and Fred gains the attention of the gang.

"Helpful Henry" Highlighted the Future

The class of 1963 chose for their junior class play the three-act comedy, "Helpful Henry."

Henry Collins is a scientific minded teenager with an unbridled eagerness to help. When he heard

that a top secret project, "Operation Freeze," had been misplaced, he set out to find it and perfect it by experimenting on his friends. This brilliant idea, however, backfires and creates some hilarious situations.

Henry chats with his sister and Lt. Jenkins.

Military officials discuss the loss of "Operation Freeze."

The Gilbreth family lines up for some instruction from father.

“Cheaper By the Dozen” Recalled the Past

On the night of November 29, 1962, the class of 1963 proudly presented their senior class play, "Cheaper by the Dozen."

This hilarious comedy was concerned with Mr. Frank Gilbreth, a motions expert, and his rather large family.

Mr. Gilbreth is so dedicated to eliminating waste motions that he doesn't realize that his daughters are growing up. When his oldest daughter starts wearing silk stockings and dating, the fun begins.

The problem finally comes under control and a greater understanding between father and family results.

The last minute rush before the final performance.

Gala Homecoming Held Us Spellbound

Miss Karen Thrawl joyfully accepts her crown from Pauletta Burton. She is escorted by Maurie Fettig.

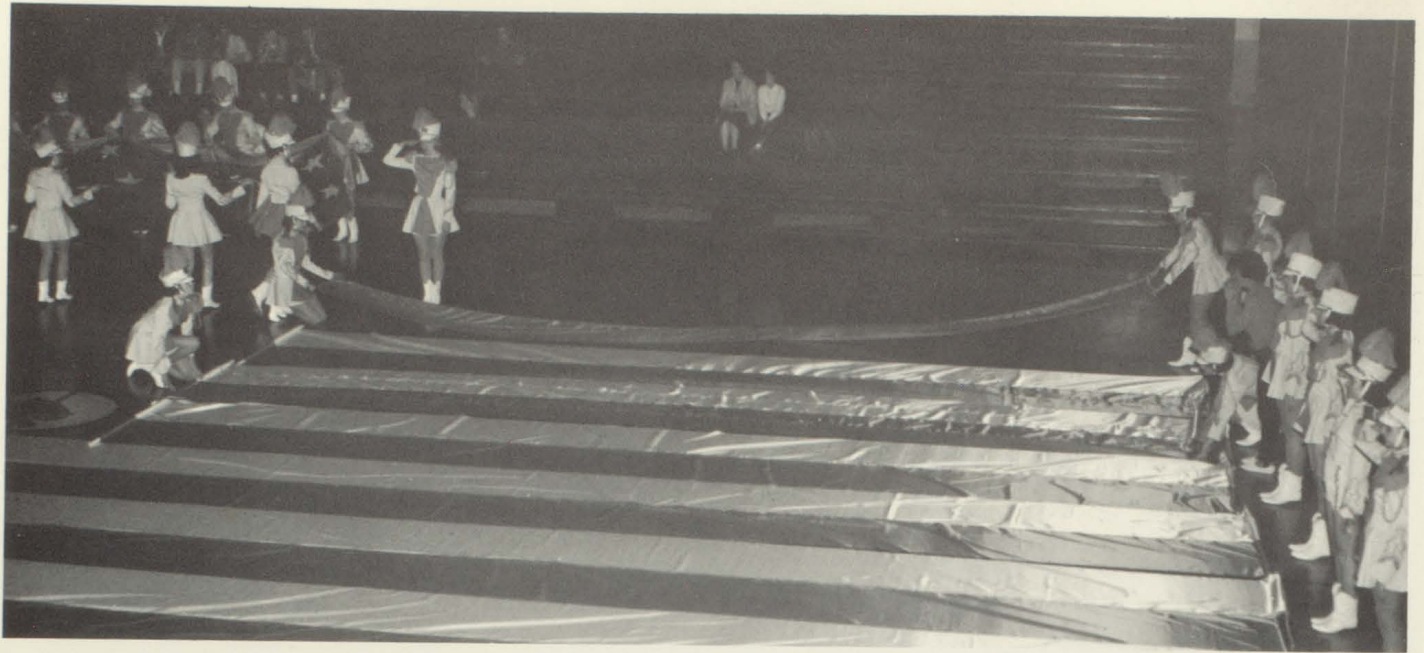

On a beautiful but chilly Saturday, September 29, the Panthers set forth to conquer the Madison Heights Pirates in a thrilling Homecoming game. Although the Panthers didn't come away with a win, they felt gratified with a hardfought 0-0 tie.

At half-time the five lovely queen candidates rode onto the field in gayly decorated convertibles for the crowning of the queen. Miss Karen Thrawl was crowned 1962 Homecoming Queen by the '61 queen, Miss Pauletta Burton.

Activities came to a climax at the annual Homecoming Dance where the theme of "Tonight" gave us memories to cherish for a lifetime.

MISS KAREN THRAWL
1962 Homecoming Queen

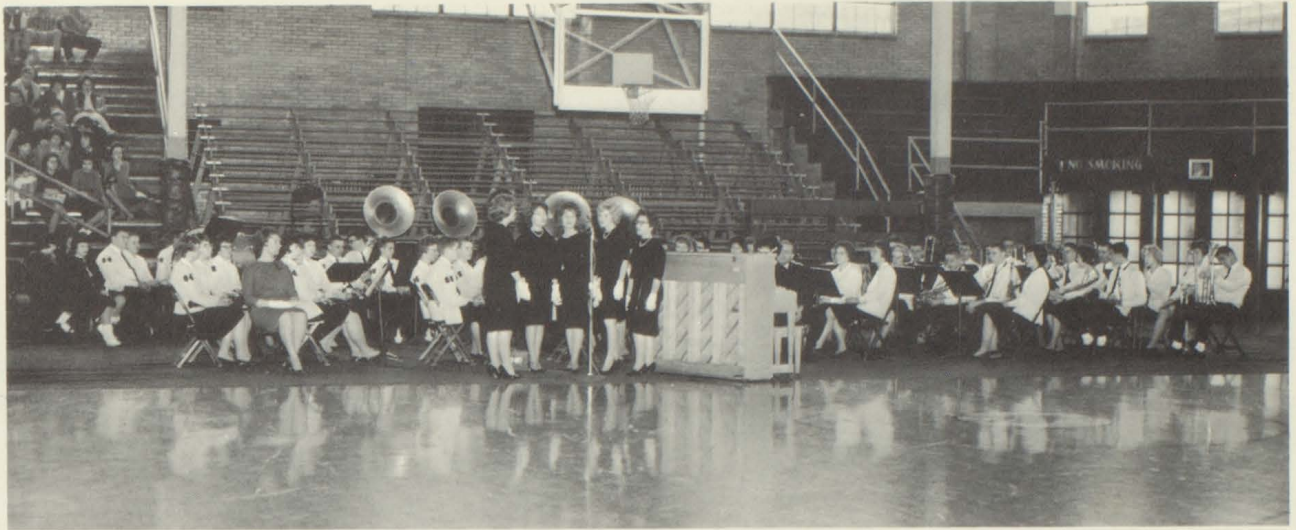

A rigid rehearsal schedule was one of the main components of the 1962 Variety Show.

Musical Activities Provide

Throughout the year the Panther Band devotes much time and energy to preparing tremendous half-time shows.

Individual music groups added to the entertainment at our unexpected pep session--music program combination.

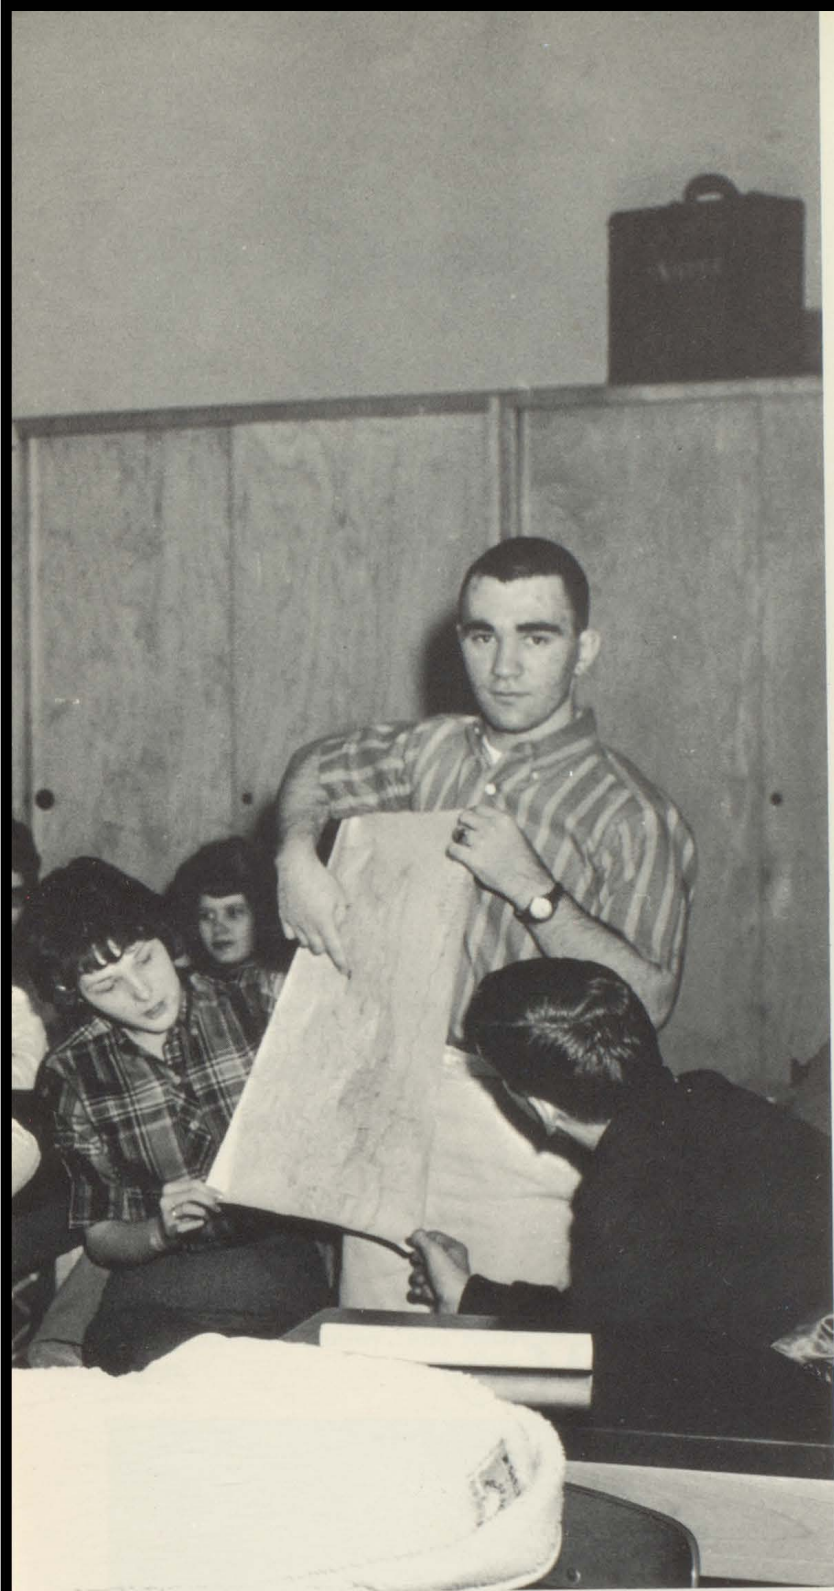

Unlimited Entertainment

The Girls' Glee Club aided in the production of the annual Christmas program.

WITH ORGANIZATIONS

Meeting the deadline is a problem, especially when you can't get the library door unlocked. Co-editors Kathy Brunson and Linda Myers, and Business Manager Jane Stout suffer the hardships of authority.

Through the Efforts of Many the Crescent Finally Arrives!

The Crescent staff is not a social organization, it is a group of hard-working students who give up their free time to make this yearbook possible for you. No one can imagine all of the little details that must be attended to before your yearbook can be brought to you, no one, that is, but the co-editors-in-chief, the business manager, the section editors, the committee members, and, most of all, the sponsor.

This book was the product of the combined efforts of the co-editors-in-chief, Kathy Brunson and Linda Myers, and their industrious sponsor, Mrs. Hilda Chapman.

They spent countless hours organizing committees, planning layouts, cropping pictures, arranging deadlines, and then reconstructing all of their ideas to fit the many emergencies that arose.

Limitless gratitude also goes to Jane Stout, business manager, who was responsible for the ad section and managing finances, not to mention her photography work.

Although it has been hard work, it has been well worthwhile to prepare this book of memories for the entire student body, but especially for the class of 1963.

Panther Band Performs

Band captain, Tom Loser talks with Rex Jenkins and Clifford Brugger, band directors.

The Panther Band, under the direction of Clifford S. Brugger and Rex Jenkins, once again brought honor to W.H.S. by bringing us an 8th place distinction in State Fair competition.

This year they also attended a band clinic at Purdue, and played at an Indianapolis Warrior football game where they picked up a "Best Band" trophy.

Band captain for this year was Tom Loser; lieutenant, Larry Himelick; head majorette, Donna Orbaugh; and assistant head majorette, Jane DeLong.

National Honor Society Strives for Scholastic Achievement

National Honor Society officers are: Susan Klumpp, Vice-President, Mike Parker, President, and Kathy Brunson, Secretary-Treasurer.

The aim of most of the scholastically-minded students of Willkie High is the selection by a faculty committee as a probationary member of the National Honor Society. They are selected from the junior and senior classes in the fall. The juniors and seniors then strive to remain in the Society until they become permanent members in the spring at a ceremony held in the auditorium.

The purpose of the organization is to give students an incentive to strive to reach the goals set by the NHS.

The necessary qualifications for membership in the National Honor Society are Scholarship, Character, Leadership, and Service.

Student Council Expresses Student Opinions

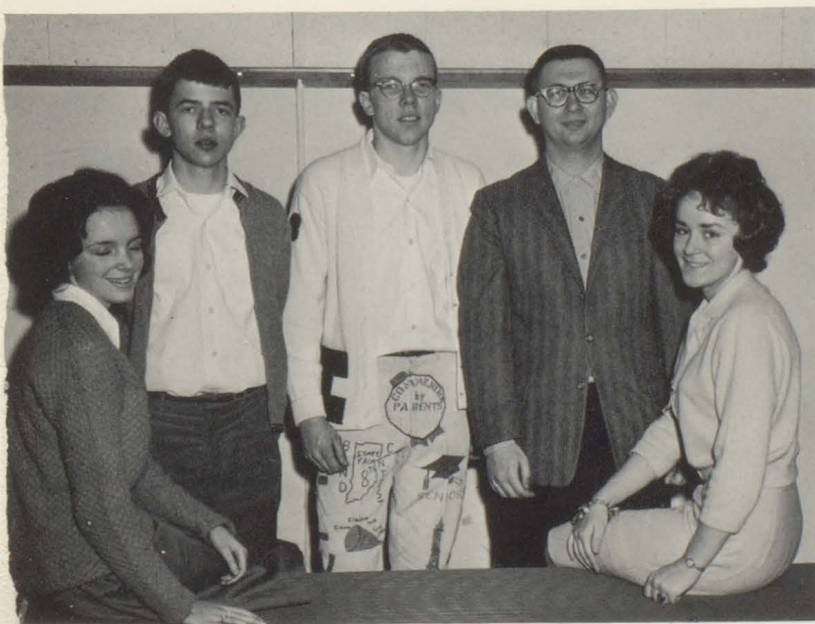

Student Council officers are (l. to r.) Mary Scea (Secretary), Jim Baker (Vice President), Kim Caldwell (President), Mr. Gardner (Sponsor), and Jane DeLong (Treasurer).

Organization of the Student Council took place in the school year of 1941-1942 under its present constitution.

The Council convenes each Monday evening to consider new suggestions and problems posed by representatives from all second-period classes.

The main goals of this prominent organization are to help in maintaining customary procedure of the school and to promote the best interests of Willkie with the mutual benefit of the entire student body and faculty.

Among the regular duties of the Council are issuing identification cards and Den tickets to the students, cleaning the floor of the Panther Den after dances, and supplying the juke box with up-to-date records.

Sunshine Society Spreads Cheer and Charity

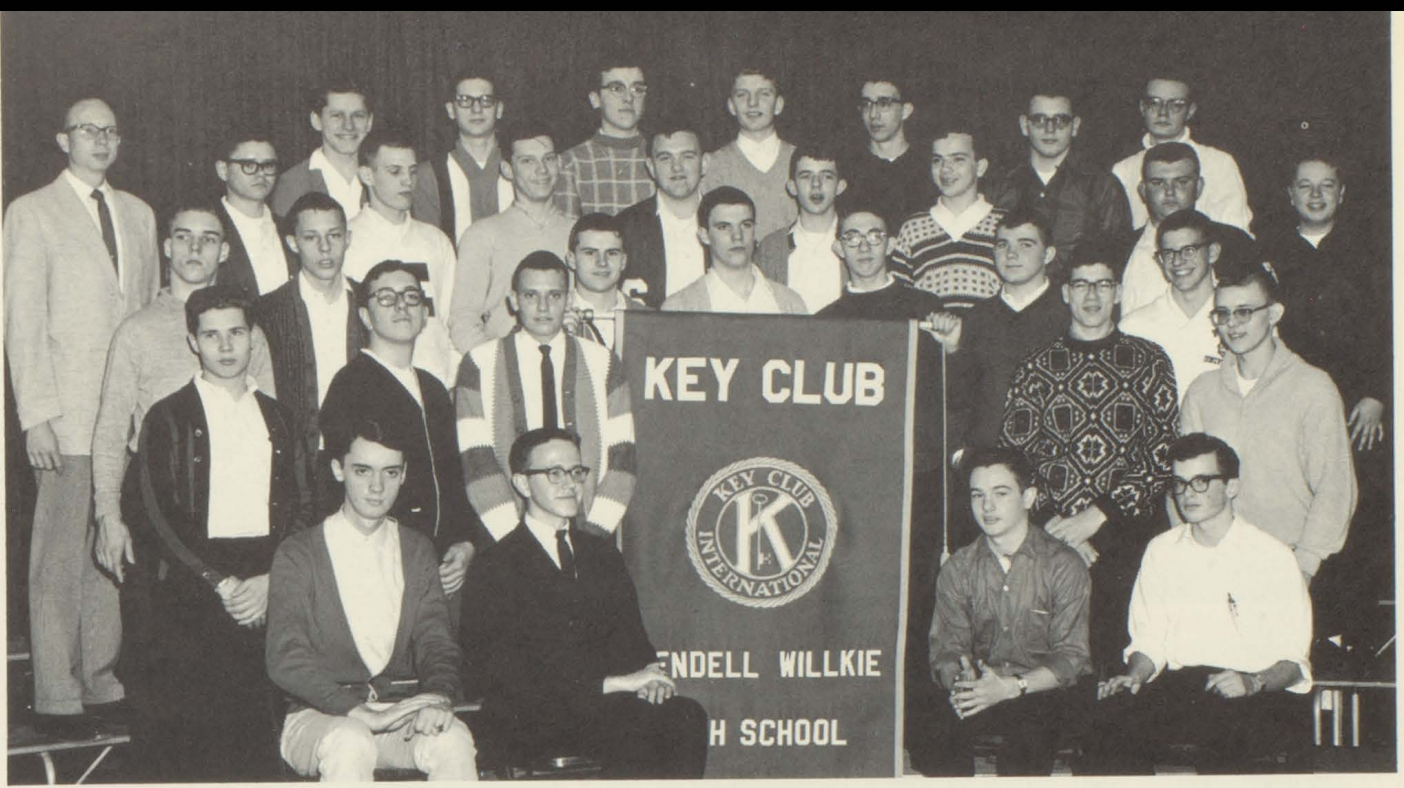

Sunshine Society officers for this year are Kathy Brunson, treasurer; Judy Smith, recording secretary; Susan Klumpp, vice-president; and Jane Stout, president.

The members of the Sunshine Society strive to include acts of charity in their daily lives.

The Society has activities such as a picnic held in the fall for all the members, helping the needy by providing food baskets at Christmas time, making favors for the hospital patients, and contributing to various organizations.

This group of girls under the expert leadership of Mrs. Gardner and Mrs. Davis has proven very worthwhile to the Elwood community as well as to the school.

Key Club Contributes to the Community

Although only in its second year, the Key Club is doing a fine job of living up to its goals through their many projects.

Their main project of the year is their Cheer Club, instituted to bring cheer to shut-ins in the community through the efforts of each member.

Key Club officers are Steve Parry, treasurer; Bob Shiffler, vice-president; John McCoy, president; and Larry Stage, secretary. The directors (STANDING) are Dick Brunson, Bill Daleure, and Tom Loser.

Art Club Develops Culture at W.H.S.

Miss Rudig displays weaving technique to some members of the Art Club.

— This year the Art Club was very active under the capable leadership of Miss Anna Mae Rudig, new art teacher at W.H.S.

The club took a trip to Ball State to see a painting exhibit. We also have the Art Club to thank for the beautiful Christmas decorations that were displayed at Christmas time.

This club is helpful to those who are interested in art, but can't fit it into their schedule. These persons are welcome to join and participate in the Art Club's various projects.

Susan Klumpp, Editor, and Mrs. Fugitt, sponsor, discuss points of good journalism.

This year, as always, the Megaphone has kept Willkie students well-informed on school events, the latest gossip, and important happenings. Though the traditional Hall Clock and Wendy and Willie Willkie were still with us, many new features were introduced.

The busy staff worked hard under the sponsorship of Mrs. Fugitt, and succeeded in turning out issue after issue of fine reading material.

Thespians Express Dramatic Ability

Thespian officers are (SEATED) Greg Tunis, vice-president, and Jane Stout, president. STANDING are Carol Kincaid, recorder; Dick Martz, treasurer; and Martha Litsey, secretary.

With the goal of developing the dramatic abilities of those in high school, the Thespian Society has proven itself to be one of the most active and progressive organizations at W.H.S.

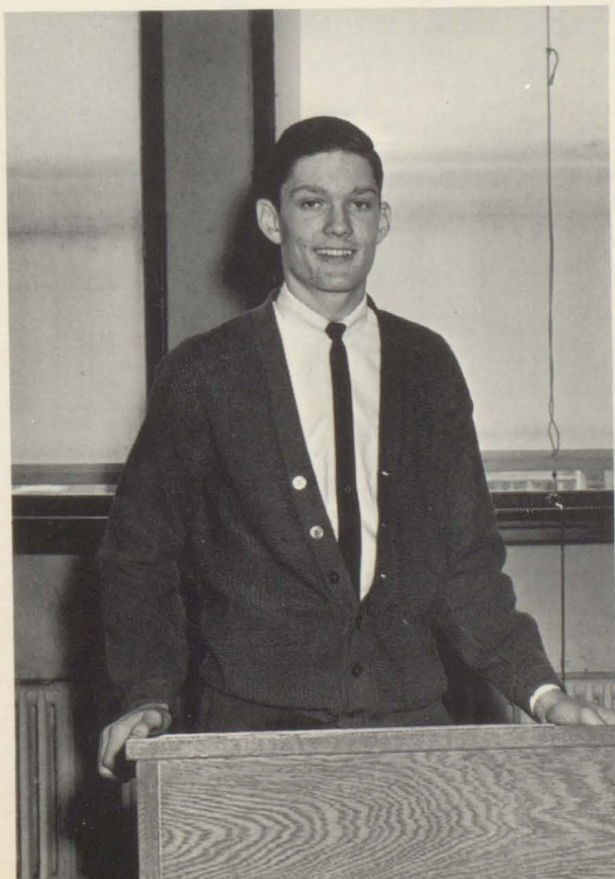

Under the direction of Mr. Brown, the different groups work on plays which are given at various functions in the community. The students also attend speech meets held all over the state.

The Thespians presented their annual formal dance which was entitled "Ice Palace." Miss Nada Osting was selected to reign as queen.

Debaters shown left to right are D. Butler, M. Caldwell, G. Gardner, D. Klumpp, Mr. Brown (sponsor), S. Parry, V. Jackson, and A. Langford.

Debaters Gain Valuable Experience

Resolved: That the United States should adopt a policy of reciprocal free trade with non-communistic nations .

This is the topic used this year by the Debate team . The team made an excellent showing this year at the Ball State meet where they won 4 out of 6 . After each meet the group corrected and revised their cases in order to make a more effective delivery .

Winning the honor of runner-up in State oratory gave Willkie's Rick Cannon widespread acclaim.

F.F.A. and Projection Are Valuable at E.H.S.

The Future Farmers of America, known more commonly as the F.F.A., tries to give its members an extra quality for facing life, preparation. Through their many competitive functions the boys gain valuable experience.

One of the highlights of the year occurred when the senior members visited the National Livestock Exposition in Chicago, accompanied by Mr. Davis.

The Projection Club members perform a great service to the students of Wilkie High by bringing the outside world and its vast supply of knowledge to us through films.

The members of this club are instructed by Mr. Smith in the operating of the movie cameras, and often must give up their time to enable us to see films vital to our studies.

IT'S WILLKIE HIGH . . .

WITH ACADEMICS

Industrious chemistry students tackle a lab period.

Science Inspires Us

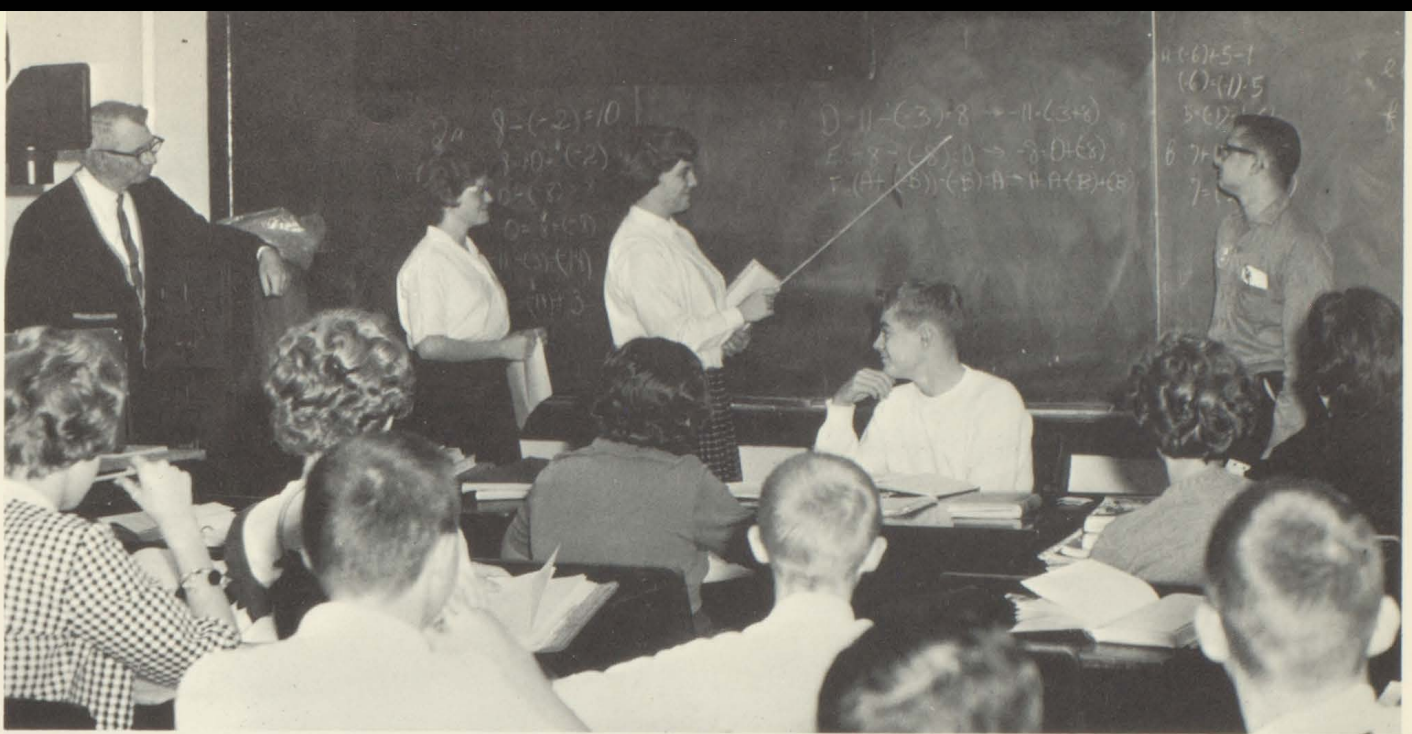

Since rocket travel is becoming a more important part of our everyday lives, scientists are in greater demand. The science department, with its latest and most up-to-date equipment, is helping to prepare Willkie students for this new era.

This department studies scientific

achievements from every angle. There are courses offered in biology, chemistry, physics, advanced biology, and physical science. Each advances the students' understanding of the complexities of this scientific age and gives him an excellent background in science.

Biology students mount grasshoppers.

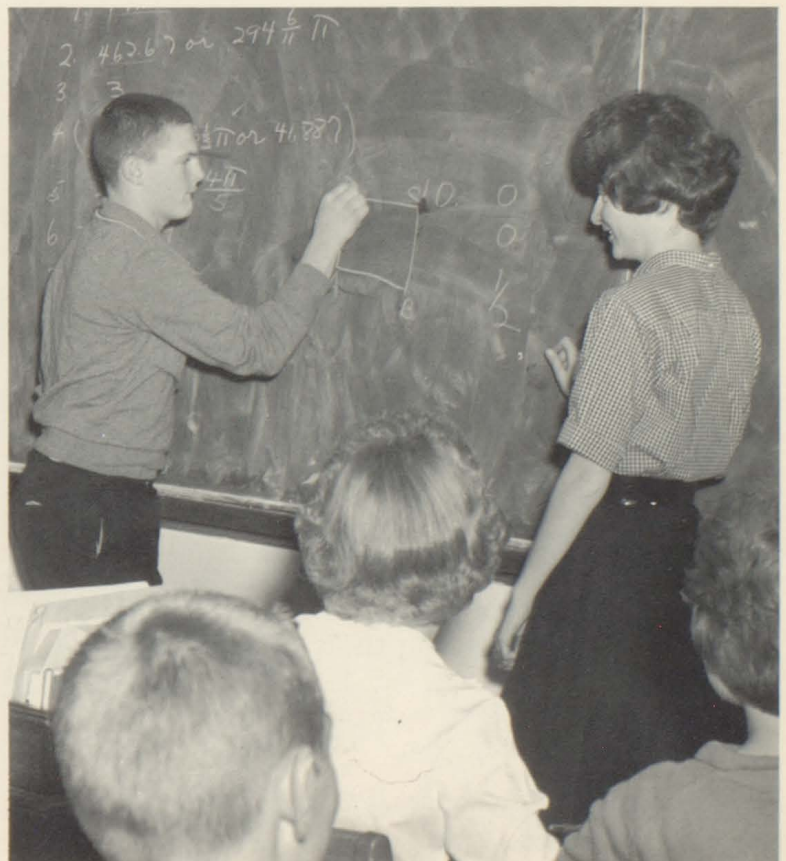

Jane Comelious explains an experimental algebra problem.

Math Gives Us Perspective

Mavis Kintzel and Mike Tolle work out a geometry problem.

With today's ever-increasing demand for engineers and technicians, mathematics is becoming more and more important. Willkie High is doing its part to prepare students who wish to enter into these fields by offering such courses as experimental algebra, plane geometry, trigonometry, advanced algebra, solid geometry, and general math.

The teachers who dedicate themselves to this field of study are helping students prepare for their future occupations. The teachers and courses together give Willkie one of the best math departments yet.

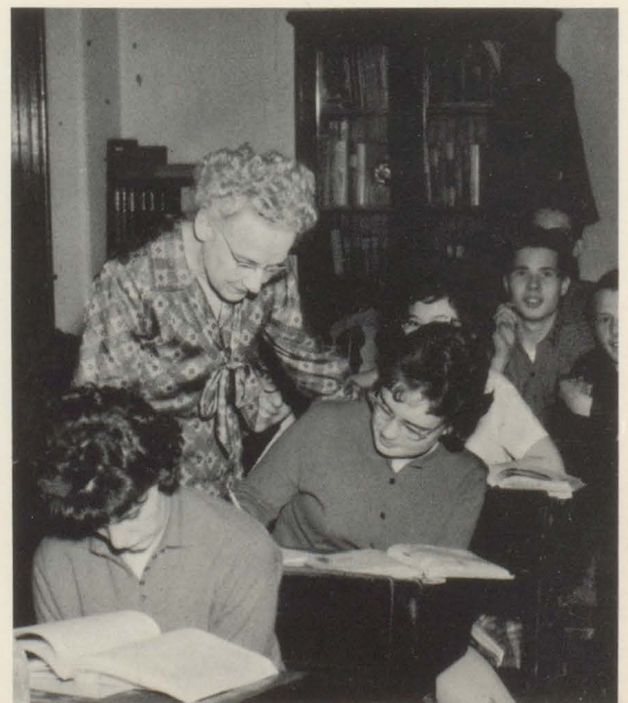

Students make use of the library for working on term papers.

English Helps Us Communicate

Three years of English grammar and literature are required at Willkie High in order that every student will graduate with the proper literary background. For many aspiring students a fourth year may be taken as an elective. This year a new course in theme and essay writing is offered to seniors.

Students may add to their English curriculum by choosing elective classes in speech and journalism. By varying the approach to the subject the students aid themselves in their quest for knowledge.

Miss Digel helps a student in one of her English classes.

Spanish gains the attention of many but not all of the students.

Language Students Find Learning Fun

The study of foreign languages intrigues many of the students at Willkie High. Two year courses are offered in French and Spanish and, beginning this year, a third year of Latin is being offered.

The foreign language students gain a better understanding of our fellow man by learning their languages and customs. They also improve their English by applying the principles of other languages to their own.

Language students enjoy the joint banquet and dance.

Mr. Fugitt judges his Psychology students on their ability to direct the class.

Social Studies Broaden Our Horizons

Mr. Burdick, a student teacher, explains the fine points of government to Civics students.

In order to understand our fellow man, we must first understand his culture and history. Social Studies courses enable us to learn more about the various peoples and cultures of the world so that we may come to understand them.

Courses in World history, American history, Government, Sociology, Economics, and psychology are offered to present a thorough picture of our world civilization, governments, and social problems.

Anatomy and hygiene are studied by the members of Mrs. Watson's health class.

Physical Education Plays an Important Role at E.H.S.

With the advent of the trend toward physical fitness, the students taking physical education discovered many new sports and activities for their participation.

The major innovation was the initiation of boys' gym classes into the sport of wrestling.

"Shake hands and come out wrestling!" Mr. Kane instructs his boys in the art of self-defense.

Students put their knowledge of typing to use by composing letters in office practice.

Business Department Helps Us Prepare for Our Future

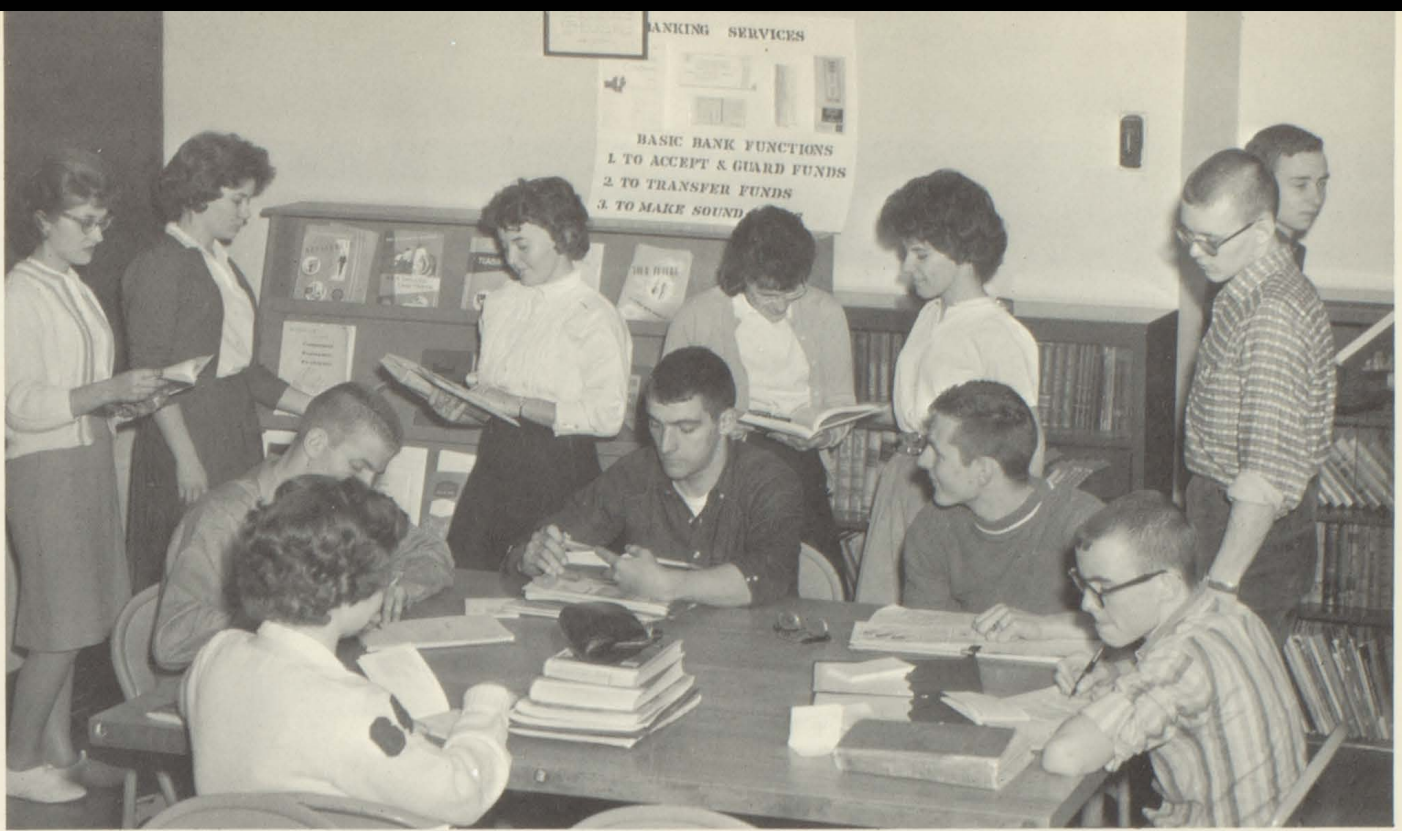

Rotary calculators are just one of the machines operated in office machines.

Business courses at Willkie cover a variety of specialties including typing, shorthand, bookkeeping, selling, and office machines.

These courses serve as preliminary training before entering secretarial training in college, or, for many, are the prerequisites for obtaining secretarial work immediately after graduation.

This well-staffed and well-equipped department is a great asset to Willkie High's overall training program.

The afternoon D.C.E. class gets material for their related study guides.

D.C.E. Popularity Increases at E.H.S.

The D.C.E. course at Willkie High is very popular. By means of this course, the students are able to obtain actual vocational training while furthering their education.

Part of the student's day is spent at school with one period set aside for D.C.E.

related study. The rest of the day is spent working in various establishments. The field in which the students are employed vary greatly so the student enrolling in a D.C.E. course has the opportunity to train for the vocation which he desires most.

The morning D.C.E. class looks at last year's D.C.E. scrapbook.

These Home Economics students experiment in food preparation.

Home Ec., Shop Develop Useful Skills

The preparation of future homemakers and machinists is in the hands of the Home Economics and Shop departments.

Home economics classes give training in the skills of cooking, sewing, interior decorating, and childcare. These courses prepare the students for married life in the future.

The shop classes are responsible for the instruction of the operation of intricate machinery and are operated under the strictest of safety rules.

These two courses have one major purpose--to produce students capable of meeting future obligations and have thus far been quite successful.

Mr. George Reeser, shop instructor, supervises the work of Troy Rich.

The Honey-Do's show their ability at the Variety Show.

Mr. Rex Jenkins displays his talent for the saxophone.

Music and Art Create Culture at E.H.S.

To develop our cultural needs as well as the purely scholastic phase of our lives, the music and art departments strive to interest students in these classes.

The music department as always contains many individual music groups like

the new Glee Club sextet. The Glee Club and Choir put forth effort for a successful Christmas show.

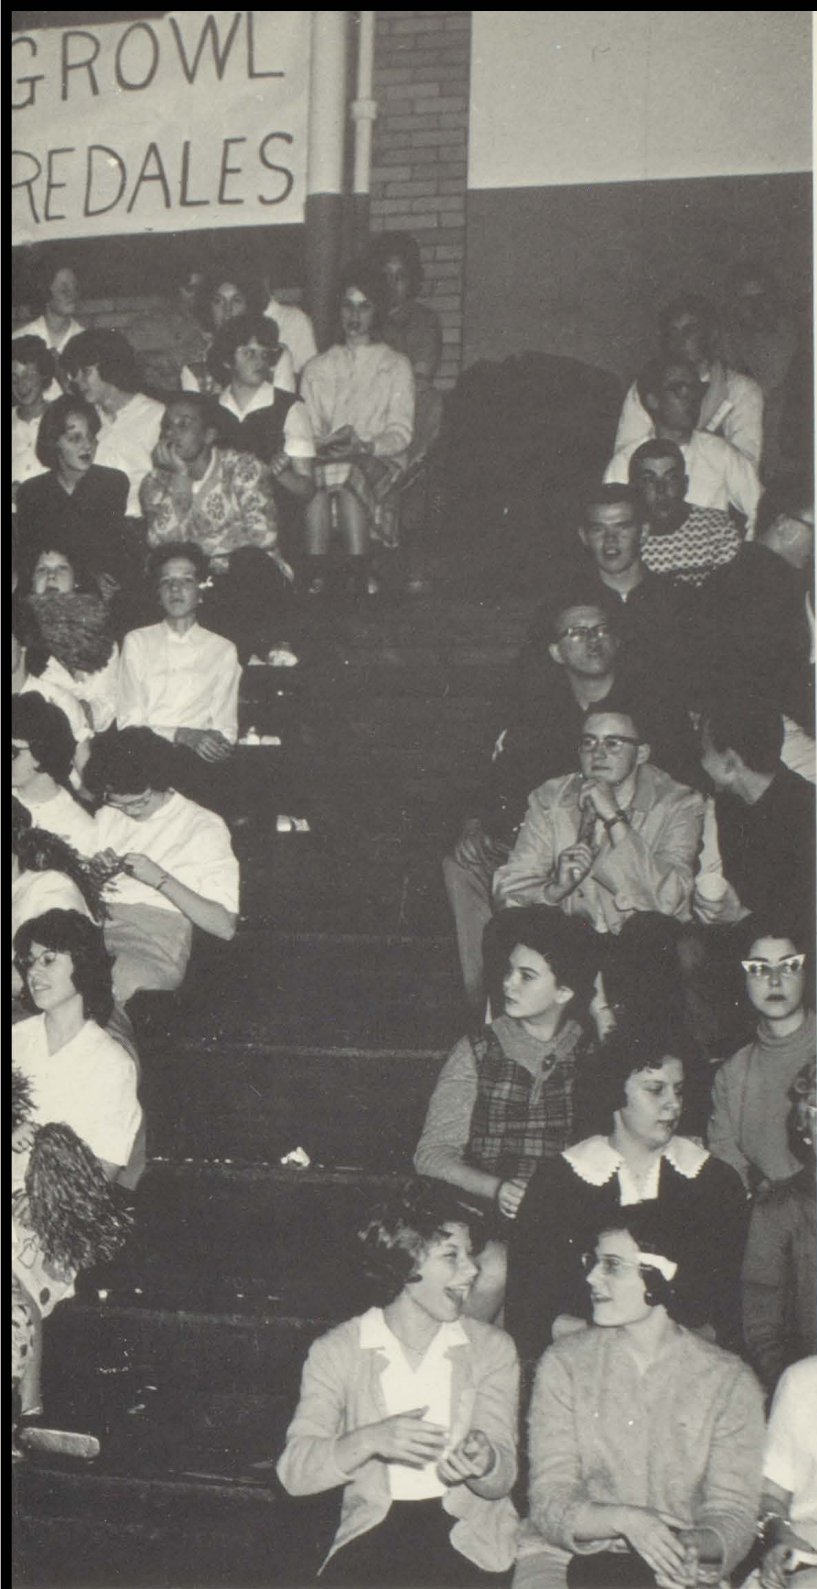

The art classes continued in the fields of painting, crafts, and sculptor, thus enriching the cultural life at Willkie High.

Art students work on one of their various projects.

Panthers Tackle Tough

Mike Wilburn makes a bear-hug tackle at the Noblesville game.

A Panther gridman goes after the Noblesville ball carrier in an exciting play.

The senior members of the varsity squad pictured here with Coach Lods are (l. to r.) Ward Sherman, Mike Wilburn, Ron Chase, Larry Clabaugh, Perry Ooton, and Jim Pantos.

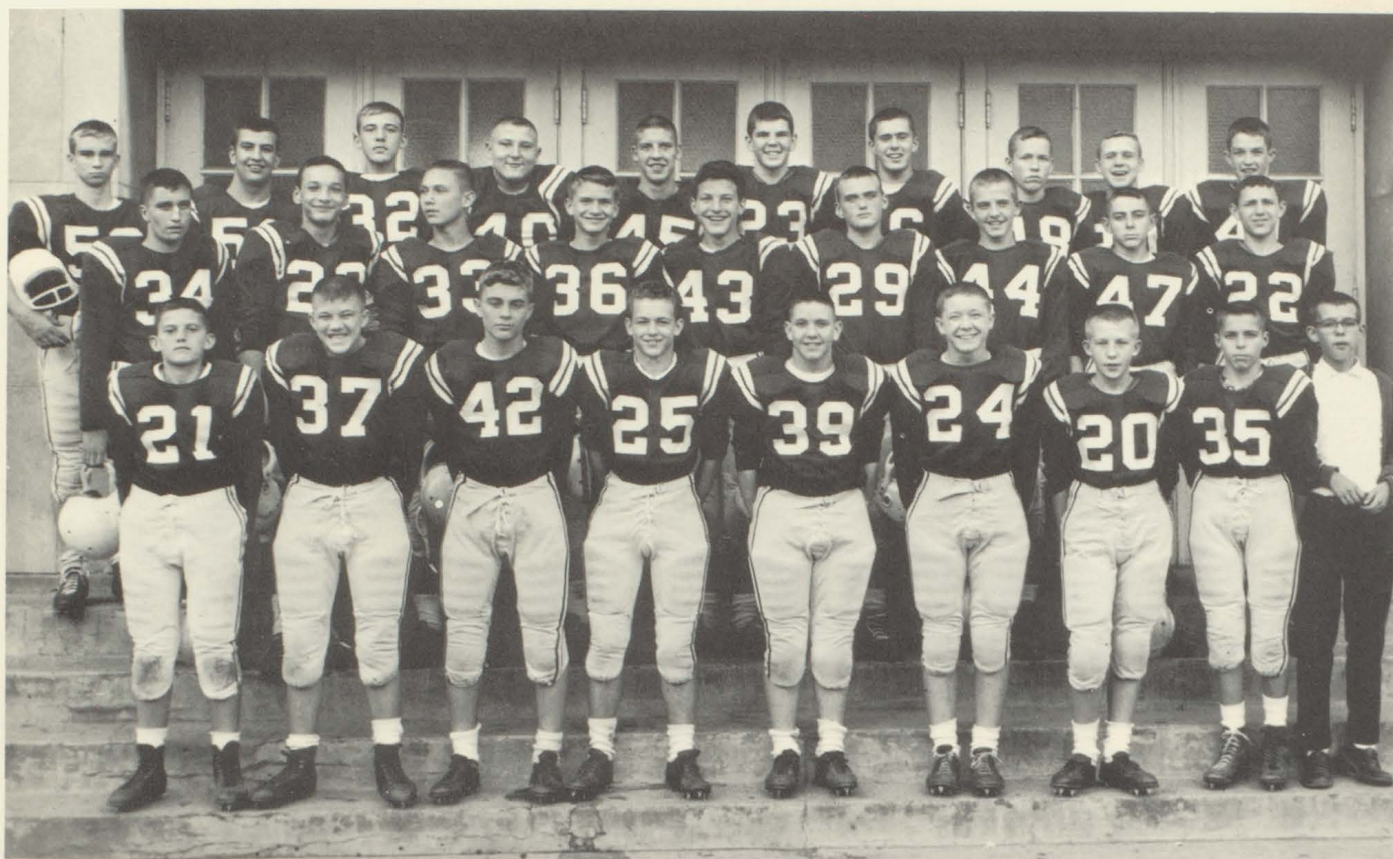

Season with Determination

Our Panther football team worked hard all season to bring us the enjoyment and thrill of fall's favorite pastime. Starting under the hot August sun, they sweated and played until the crisp nights of November brought the season to a close. Although our record was not the best, 3-6-1, our team presented themselves as gentlemen both on and off the field.

This year our head coach, Jim Lods, and our assistant coaches worked hard with the boys, teaching them the fundamentals and sharpening the team's claws for their opponents. Bowing to Anderson, Tipton, West Lafayette, Alexandria, Noblesville, and North Central, and tying Madison Heights gave the boys a lot of heartaches, but still they fought on. And when we beat Wabash, Plymouth, and Hartford City, the boys could take pride in a job well done.

Rick Groover gets tackled on the 40 yard line by a Noblesville Miller.

Freshman Football Team: (FRONT ROW) M. Scott; M. Updegraff; L. Chimm; S. Edgell; T. Yates; D. Balser; J. Richardson; D. Widener; and C. Frazier (mgr.). (SECOND ROW) D. Reynolds; B. Frye; J. McDaniels; and K. Kleinbub.

Frosh Develop Skill

Fight, determination, and spirit became the motto of the freshman football team. This year marked the first time these boys played high school ball, but with two years experience in junior high under their belts, they made an impressive start.

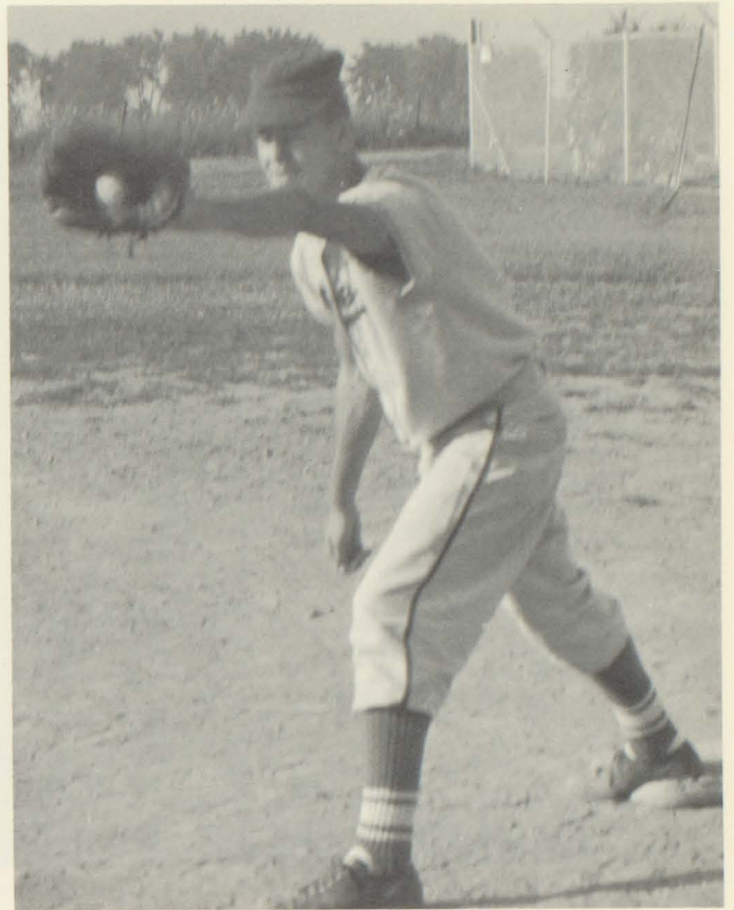

Again this year, Mr. Manis took the task of coaching these boys. Under his able, but stern, direction these young gentlemen practiced every night after school. Their record was not perfect, 6-2-1, but it certainly was a fine showing.

Jim Pantos runs for a touchdown in one of the Panther's home games.

Coach Bob Moore's baseball team compiled a fine 13-5 record this past summer. The Panthers always played with a lot of spirit no matter what the score.

It took a lot of desire to give up some of the summer's activities but the result was well worth it. The seniors played their best for their last season and the sophomores and juniors aided them in every way possible.

As a result of their combined efforts the Panthers had a winning season, and made the games very entertaining to the Elwood spectators.

Netmen Follow Through with Good Season

The netmen of Willkie High enjoyed their best season in 1962 as they finished in a tie for 4th place in the ever-powerful C.I.C. meet.

This year's lettermen included Jerry Justus, Charles Bock, Steve Hurst, Greg Gardner, Bob Pearson, Dave Alexander, and Ron Klein. Ron also received the coveted tennis trophy at the annual all-sports banquet.

Greg Gardner readies himself before an exciting tennis match.

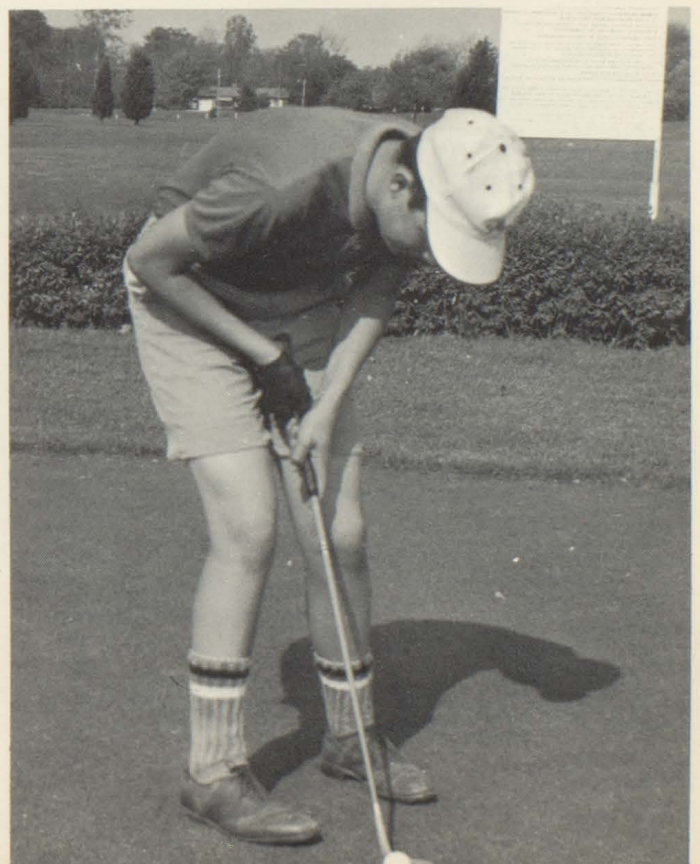

Golf team: (FRONT ROW) Coach J. Ward; R. Stevens; K. Tam; L. Gerig; E. Alley; and D. Kincaid. (BACK ROW) D. Etchison; T. Graham; B. Phelps; T. Ewing; B. Jarvis; and T. Clark.

Willkie Crew Swings Out in Golf

Lou Gerig gets ready to sink a putt at the Elwood Country Club.

The golf team, headed by Coach John Ward, had a fair season with six wins and seven losses. They placed sixth in the rough Central Indiana Conference competition and sixth in the sectional.

The Panther divot diggers were able to make a good showing because of the increasing popularity of golf at Willkie.

Cross Country: (FRONT ROW) T. Martin; A. Simons; J. Watters; and G. Burton. (SECOND ROW) R. Martin; G. Balsler; G. Strader; G. Hipes; E. Wentz; K. Rarey; D. Butler; and Coach Burton. (THIRD ROW) E. Huntsinger; D. Harting; C. Bock; B. Odom; R. Cannon; D. Richwine; and J. Kleyla.

Cross Country Team Ran Strong

Jim Watters displays the stamina that made him a record breaker at E.H.S.

The cross country team, under the supervision of Coach Gerald Burton, boasted a record of 7 wins and 4 losses. This is the best record ever set by a Willkie High cross country team. To add to this enviable record they came away with a 4th place rating at the Peru C.I.C. meet.

Jim Watters was beyond a doubt the most outstanding Elwood runner. Jim broke the school record by running a speedy 10:21.

The entire team did a marvelous job of bringing Elwood's low Cross Country record to a new high.

Track Team: (FRONT ROW) E. Huntsinger; C. Blankenship; W. Sherman; T. Fogerty; and J. Hocker. (SECOND ROW) C. Robinette; G. Burton; R. Drake; L. Bright; J. Pantos; and L. Hocker. (THIRD ROW) J. Lods; coach, P. Ooton; and G. Burton, coach.

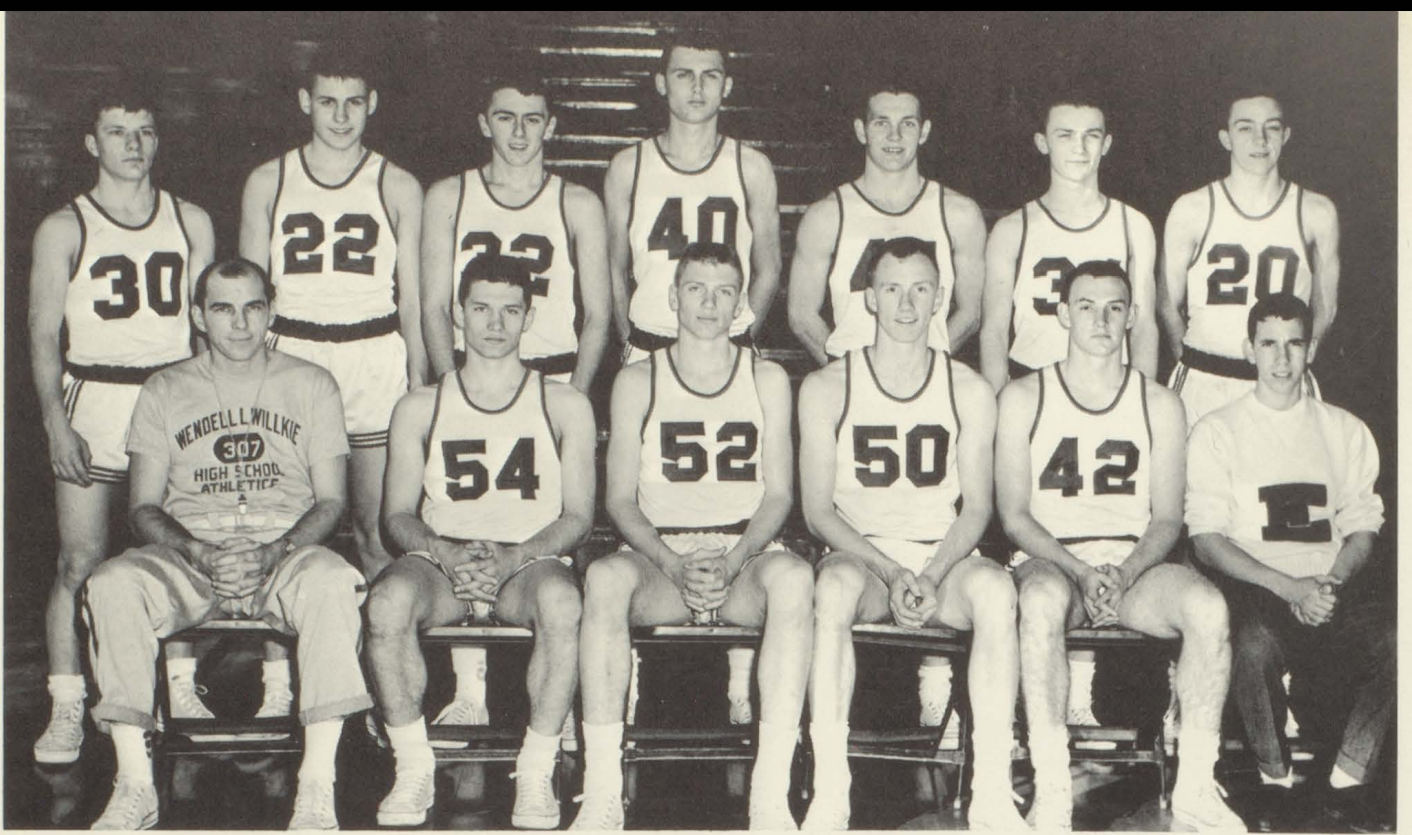

Cindermen Fall Behind in C.I.C.

Jerry Hocker jumps hurdles as Coach Burton looks on.

With a 3-7 record, the track team placed 11th in the C.I.C. A record for the 880 relay was set by Ron Drake, Larry Hocker, Jerry Hocker, and Tom Fogerty, members of the relay team. Larry Hocker set a record for broad jumping while his brother Jerry set a record in low hurdles. Jerry Hocker qualified for the regional in low hurdles, and Larry Hocker qualified for the regional in broad jumping.

Coach Burton contributed much to the morale of the team, thus bringing about a good season for the cindermen at E.H.S.

Varsity Squad Completes

Senior members of the varsity were; ROW 1: Dion Goings with Coach Manis. ROW 2: Dave Harting, Bryce Odom, and Charlie Bock.

Charlie Bock gives the ball a boost in the Muncie Burriss game.

Bryce Odom competes for the rebound with a Hartford City player.

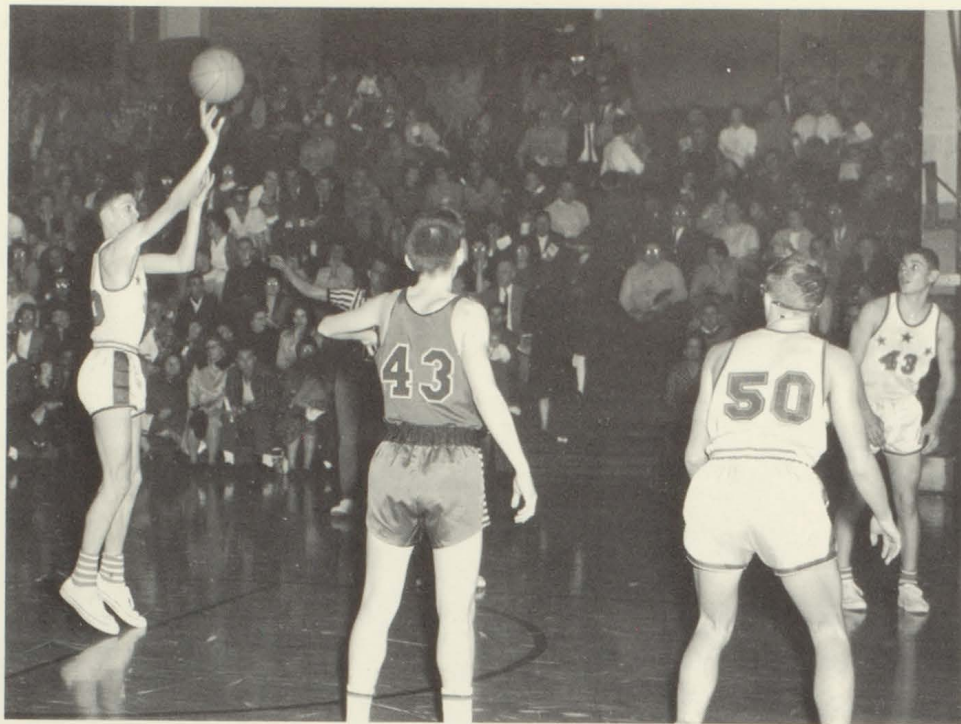

Winning Season

Rich Leavell by-passes a block to score in the Peru game.

The Panthers finished the regular season with an 11-9 record. After being beaten in the opener at Sheridan, the Panthers came back to win their next two contests against arch-rival Kokomo and Plymouth. The Panthers then lost four in a row and carried a 2-5 record to the Alexandria Holiday Tourney. After beating the Madison Heights Pirates in a close game, our Panthers surprised many people and upset the undefeated Millers of Noblesville to win the tourney trophy. The boys proceeded to win seven of their last eleven starts, including a final victory over Peru, to complete a winning season.

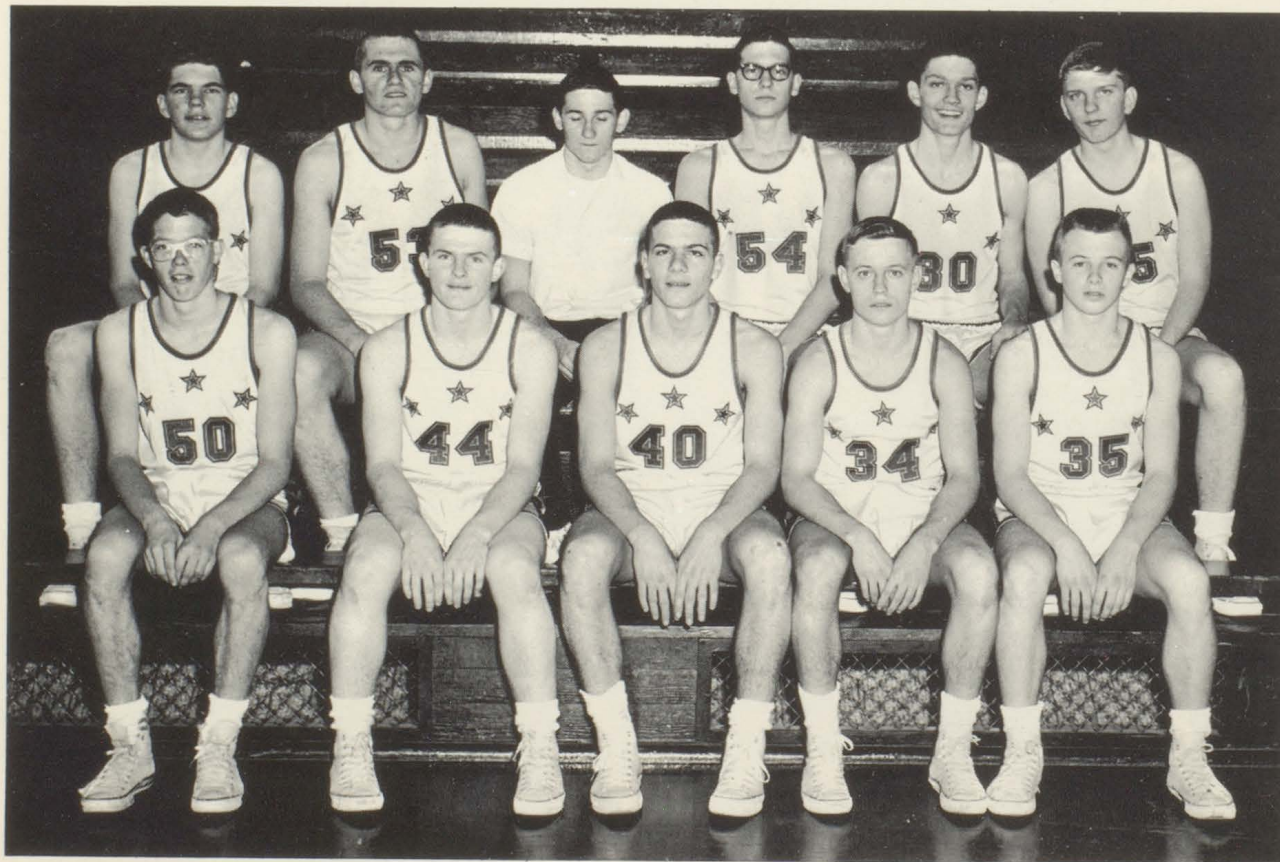

Unfortunately they were not able to hold their winning streak in the Sectional where they were defeated in their first game by Summitville.

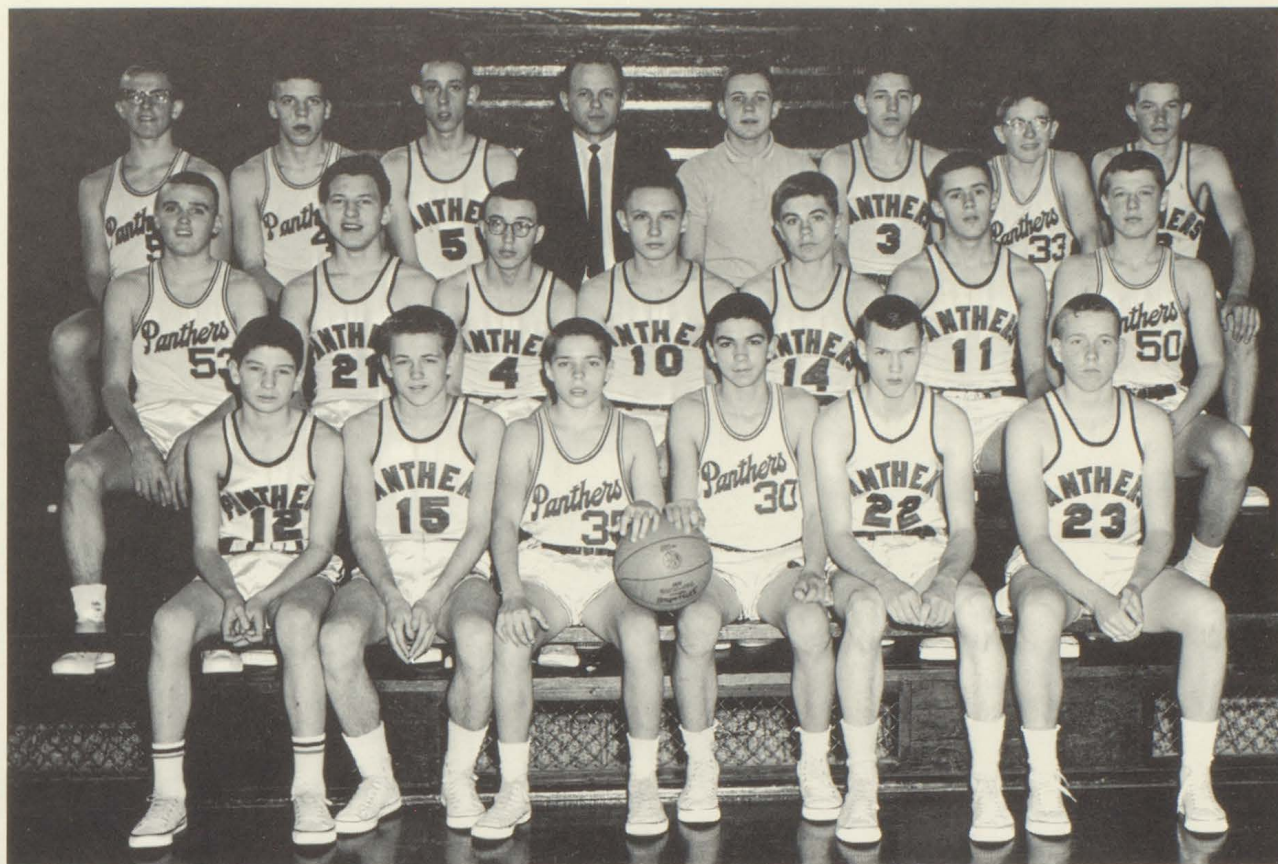

Active B-Team member Rick Cannon hands-off a shot at the charity stripe.

B-Team Bags Big Season

B-team for 1963 was (l. to r.) FRONT ROW: M. Kleinbub, M. Tolle, G. Beasley, R. Groover, and J. Burton. SECOND ROW: M. Manis, L. Stephens, student manager, J. Wilbourn, D. Cotton, R. Cannon, and K. Tam.

Freshman team for 1963 was (l. to r.) ROW 1: T. Shepard, S. Edgell, D. Widener, C. Butler, G. Knotts, and M. Rivers. ROW 2: D. Hinds, B. Updegraff, T. Martin, J. Marcuson, L. Chinn, J. Holland, and E. Wentz. ROW 3: B. Keller, M. Alexander, K. Justus, G. Burton--Coach, G. McDaniels, R. Stover, D. Balser, and C. Kleinbub.

With Mighty Team Spirit

"Heads up for the rebound, boys!" This bit of action was seen during the Hartford City game.

This year's edition of the young Panthers proved to be a surprising ball club indeed. Finishing the season with an excellent 17-3 record, they show considerable promise of becoming a truly mighty Panther club. The boys played well under pressure as evidenced by some of the highlights of the season. With Coach Jim Lods at the helm, these young Panthers indeed proved themselves worthy of that name.

Next year many of the fine freshman boys will move up to the B-team squad.

Booster Club Initiates Enthusiasm for Willkie Sports

Anne Harris, Booster Club president examines jackets with Mrs. Watson, sponsor.

Full of pep, energy, and boundless school spirit is the Willkie High School Booster Club.

This group of girls under the guidance of Mrs. Watson backs the team at the home games and at many of the out-of-town games.

This organization is a great asset to the teams and students at Willkie High.

Varsity Cheerleaders: D. Maley; L. Galbreath; E. Etchison; D. Forst; and N. Osting.

Pep Plus Vitality Equals

The pep and vitality which is required to be a cheerleader is virtually endless. These girls fight a never-ceasing battle to keep school spirit at a high level and the vocal support of the student body at a deafening roar.

This is not easily done, as any hard working cheerleader can tell you. It requires countless hours of practice and a lot of hardships and disappointments. However, these girls still pour forth boundless energy at each game and pep session to give us a winning spirit.

B-Team Cheerleaders: J. Smith; C. Taylor; A. Butcher; P. Butler (FRONT).

Freshman Cheerleaders: (KNEELING) S. Dellinger and M. Burton. (STANDING) C. Carlile and M. Bambrough.

Lucky Thirteen

Willkie High has three fine groups of cheerleaders, each trying to promote the interest of the spectator in the sports and pledging their support to the team.

They continue in their tireless efforts to build up the morale of coach and crew and ignite the desire to win in both players and backers.

Head Cheerleaders: (top to bottom) Elaine Etchison (Varsity); Cheryl Taylor (B-Team); and Marilyn Bambrough (Freshman).

USHERS: ROW 1: A. Mottweiler; J. Thompson; B. Burton; J. Bragg. BACK ROW: E. Phillips; M. Spear; L. Gibson; D. Ball.

Ushers and Concessions Are a Part of Athletics.

CONCESSIONS: (KNEELING) B. Meyers; M. Wilson.
ROW 1: V. Pullen; Mrs. Watson; C. Pike; J. Myers.
ROW 2: B. Spies; J. Peel.

The ushers give us invaluable service during each ball game. They see that visitors are seated properly and that each spectator is given a program. They also keep the floor clear during halftime.

The Concessions Club is a hardworking group that keeps us refreshed while we watch the games -- with soft drinks and pop corn.

Their generosity is displayed by the backing they give classes and clubs in need of money.

ROW 1 (l. to r.) W. Dye; S. Geren; P. Moore; J. Sanders; C. Shepard; D. Powell; P. Lowe; D. Robinson; ROW 2: J. Martin; B. Gibson; C. Thompson; C. Peters; M. Welch; R. Patton; V. McCorkle; L. Girl Athletes Show Good Sportsmanship

G.A.A. Girls begin a rousing game of basketball in the gym.

The Girls' Athletic Association, sponsored by Mrs. Mary Allen, is made up of many sports minded girls.

This year they have played many out-of-town basketball games and have shown vivid improvement. Their interests vary as they play soccer, baseball, basketball, and even bowl.

The president this year is Carolyn Shepard.

The junior class, with the leadership of their officers and the guidance of sponsors and a steering committee, was one of the busiest in school. They worked on many projects to finance the prom, which is the culmination of their activities.

The class of '65 stepped into the swing of things by electing their first set of class officers. With capable leaders and good workers they charged ahead with money-making projects.

The freshmen got just a taste of Willkie High democracy by selecting student council representatives. Though they were not allowed to work on projects they undoubtedly made plans for the future.

Worked Hard for Our Prom.

Juniors work diligently on a paper drive to add to the Prom Fund.

Relax! We've Made It! We're Seniors!

Here it is, 1963, and we seniors will soon be graduating. We have spent many memorable hours at Willkie, both in class and in extracurricular activities.

When we came as freshmen, we had no class officer elections, but we voiced our opinions through our Student Council representatives who were Carol Miller, Jackie Rudig, Sheila Davies, Richard Butler, Kit Frazier, and Karen Wood. That year we selected Jackie Rudig for our Homecoming queen candidate and were initiated in the Panther Den. And who could forget winning the sectional?

Our sophomore year signified our first step toward being a true class since we elected our first set of class officers. We elected Dion Goings, president; Carol Miller, vice-president; Jane DeLong, secretary; and Jackie Rudig, treasurer. We had a window wash for our first class project and later we had many, many bake sales. This was the year we were snow-bound at the sectional and were stranded anywhere along the way from here to Madison Heights. At the close of the year we selected our precious class rings.

Our junior year came and we were "upperclassmen." Our class officers for the year were Maurie Fettig, president; Mike Parker, vice-president; Jane DeLong, secretary; and Karen Thrawl, treasurer. Our class rings arrived in the fall and there was the traditional swapping between couples. We sold Christmas wrappings and student directories to raise money for our prom.

And now we are seniors! We re-elected Maurie Fettig as president; and elected Tim Orbaugh, vice-president; Carol Connors, secretary; and Jane DeLong, treasurer. Events have come and gone swiftly; some of the most memorable being Homecoming, Sadie Hawkins, and the Holiday Tourney. Now we stand on the threshold of a new life but, we will never forget our days at Willkie.

Senior officers Maurie Fettig, president; Jane DeLong, treasurer; Carol Connors, secretary; Tim Orbaugh, vice-president.

Seniors get a chance to display their newly painted cords.

Senior sponsors and steering committee are (SEATED) Mrs. Kintzel, Mrs. Barr, Carol Connors, Jan Wisler, Karen Thrawl, and Mr. Karl Fugitt. STANDING are Tim Orbaugh, Maurie Fettig, Mr. Stafford, Sheila Davies, Mr. Hiatt, Jane DeLong, and Susan Klumpp.

DO YOU HAVE
AN
INQUIRING MIND?

Here's something you should look into

RESEARCH. Scientific research. There has never been a time when man has progressed so rapidly from the fruits of scientific research. Never before have good researchers been more in demand.

Here at Delco-Remy a few decades ago, research was concerned with developing better electrical systems for the automotive industry. Later we expanded our activities to include power and control requirements of boats and aircraft. Today our research projects include devices and systems for electrical power in outer space.

To help meet the increasing demand for better electrical systems, we have just completed a new ultra-modern research and engineering center in Anderson, Indiana. It has been carefully designed to provide the most agreeable environment possible for imaginative research. But ideal facilities are of no consequence unless they are utilized by creative, imaginative researchers.

If you have a young inquiring mind, think about and prepare for a future in scientific research. It's a space age career where the sky is not the limit.

ACKNOWLEDGEMENTS

The staff of the 1963 Crescent wishes to thank the many people who made this yearbook possible.

We extend our thanks to Mr. Tom White, American Yearbook Company district representative; Reid's Studio of Muncie; and Mrs. Chapman, our patient sponsor.

We are also extremely grateful to the businessmen for their financial assistance. We wish to convey our deep appreciation to the faculty and the student body for their contributions.

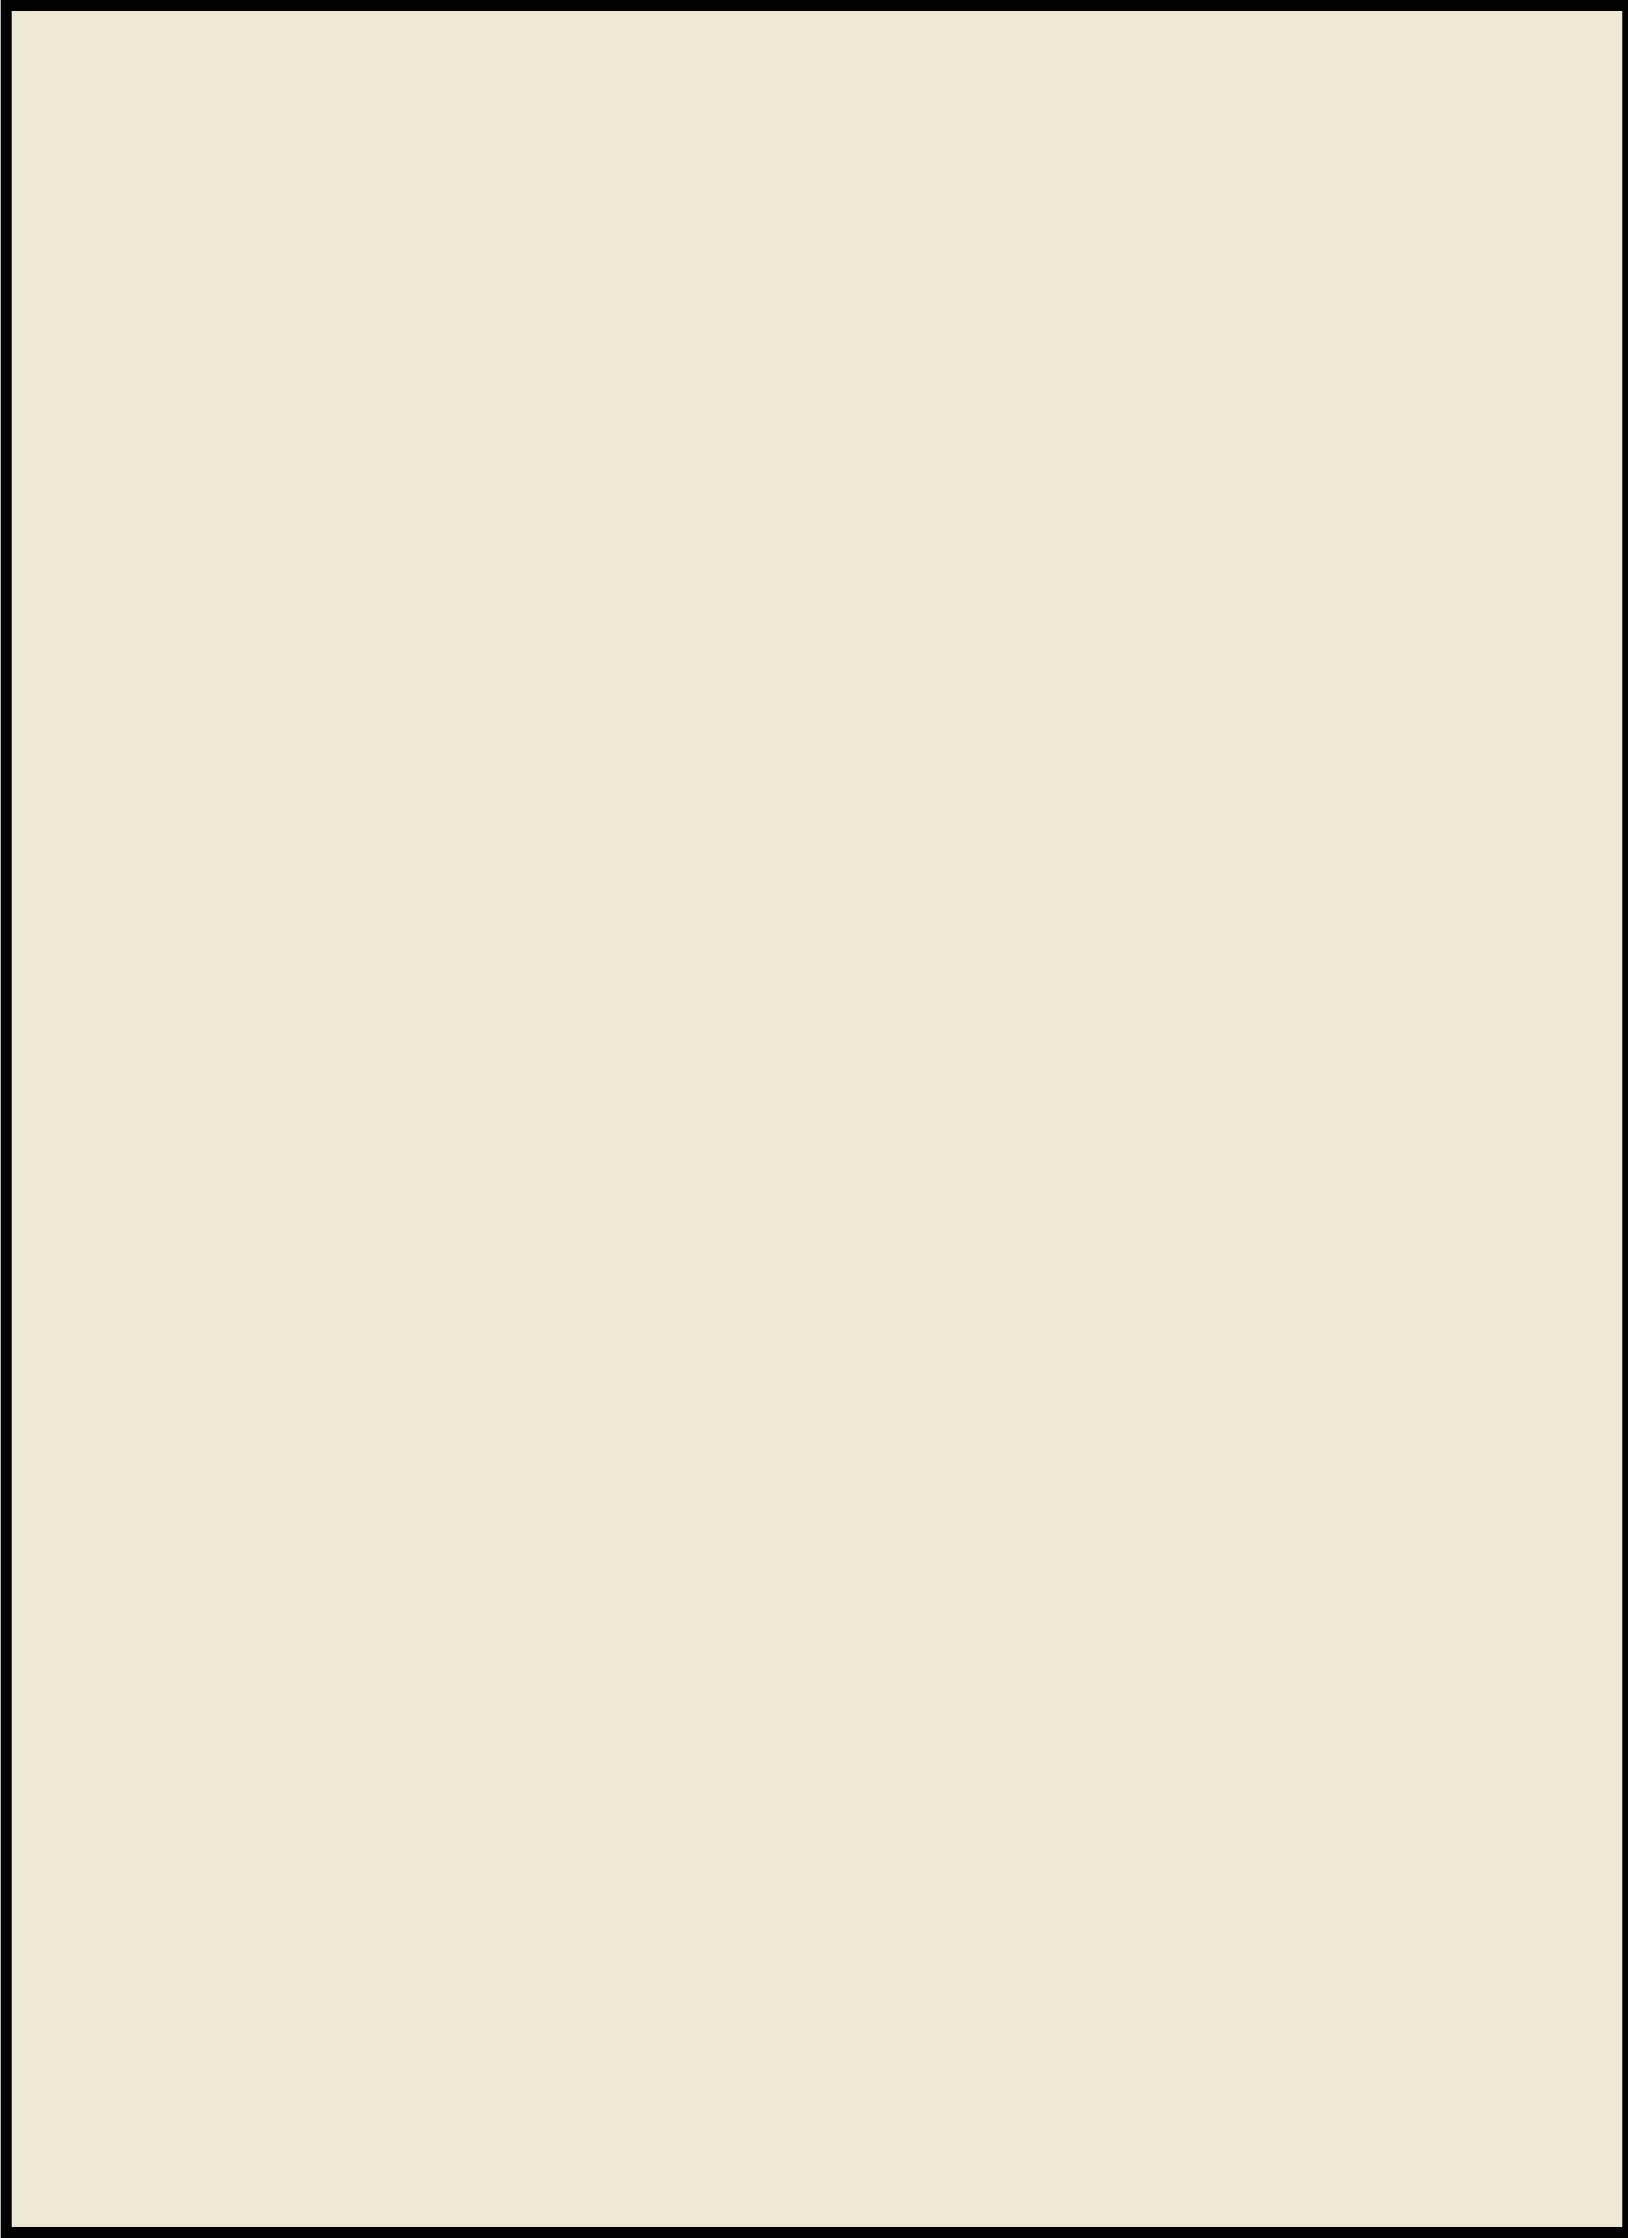

It was through your kindness and generosity that the 1963 Crescent was produced.
