As we seniors look back and take note of this year, we will have reactions ranging from nostalgic to euphoria- a longing for what was, and a joy for all that is to come. Some of us have established friendships that we hope will last a lifetime. Others can not wait to get away from here, from Fairmount, from Indiana. But for many of us there is the hope that we will see each other again, that we can take note of where we each have gone, what we have done, and look back at where we've been.

Madison-Grant's golf team had one of their best seasons in years. Coach David Fidler II is under his third year of coaching, and he has the team headed in the right direction. With a winning JV record and more Varsity wins than in the last two years, Coach Fidler II hopes to have a very successful golf team by next season. A few new freshmen additions came in with some surprisingly low numbers and helped the team drop their scores. Good season boys!

Class of 2011 Graduation

Commencement seems to be a much more appropriate word to introduce this section than **graduation** because of all the opportunities that lie before the class of 2011. These students are ready to commence the next part of their lives—many heading to colleges, some to branches of the military, and others to jobs. Yet for their last commitment to Madison-Grant High School, they cross an impromptu stage as seniors and descend the steps on the other side as graduates. Their next commitments are to fulfill their personal goals and dreams. We who stay behind **take note** of their accomplishments and wish them well.
