WHIRLWIND

FOREWORD

For many years students have gone to Fairmount High School to begin new adventures in education, organizations and many other activities.

They called themselves the Quakers and cheered their teams on, but the year 1970 marks a time of change for students of Madison-Grant High School, North Campus.

Argylls is our name now, and we cheer our teams on with what seems a greater spirit.

Organizations have changed as students of the former Fairmount and Summitville schools got acquainted. Many of the changes are presented in the following pages of the 1970 Whirlwind.

It is a time of change for the students of Madison-Grant High School.

We valued their opinions highly when choosing the colors for our caps and gowns and of the various other things we ordered.

ROWENA ANN CARROLL

RON MEYER, president; Dan Justus, vice president; Mike Hanlon, Student Council; Nancy Holloway, Student Council; Susie Gossett, Secretary; and Margie Duling, Treasurer; helped to lead the Junior class of 1969-70. Many important decisions were made concerning the annual Jr.-Sr. Prom that is given each year to the senior class by the juniors.

The Juniors also placed first with their float and theme "Drag Em Down".

Many of the Juniors also took the PSAT tests this year. This was done in preparation for the SAT tests the summer of this year.

One of the important events of the junior year was the receiving of their class rings.

Jeanne Leach was honored by the class by serving as queen attendant for the homecoming festivities.

JUNIORS PLAN M-G PROM

MRS. JOYCE MYERS, Mr. James Monahan, and Mrs. Janet Gough, were the junior class sponsors for the 1969-70 school year. They were considered very helpful to the class and they made many valuable contributions.

This was the only available picture that we had of the sponsors, but they are usually more composed than this picture reveals.

The Madison-Grant golf team, under the direction of Coach Charles Wright, has finished the season with a 7-4 mark in dual meets.

This record is a great improvement over last year's team. The Fairmount squad won only one meet, while Summittville did not have a team.

BOB LECKRON played the number three spot on the team.

The team's best performance came May 13 against Delta. Bob Holloway and Jay Driskill each had a 39, Bob Leckron shot a 43, and Rod Kelsay fired a 45. These were not the best individual scores of the year, but the team total of 166 bettered all previous performances.

The prospects for the future are bright. Holloway, Driskill, Leckron and Kelsay are sophomores as are John Cook, Jeff Hoppes, Rick Haynes and Chip Rigsbee. Steve Hoppes and Gary Thomas are juniors, while Curt Cloud is the lone freshman on the squad.

ROD KELSAY held down the fourth spot on the golf team and showed great improvement for the year.

our customer's demands are growing

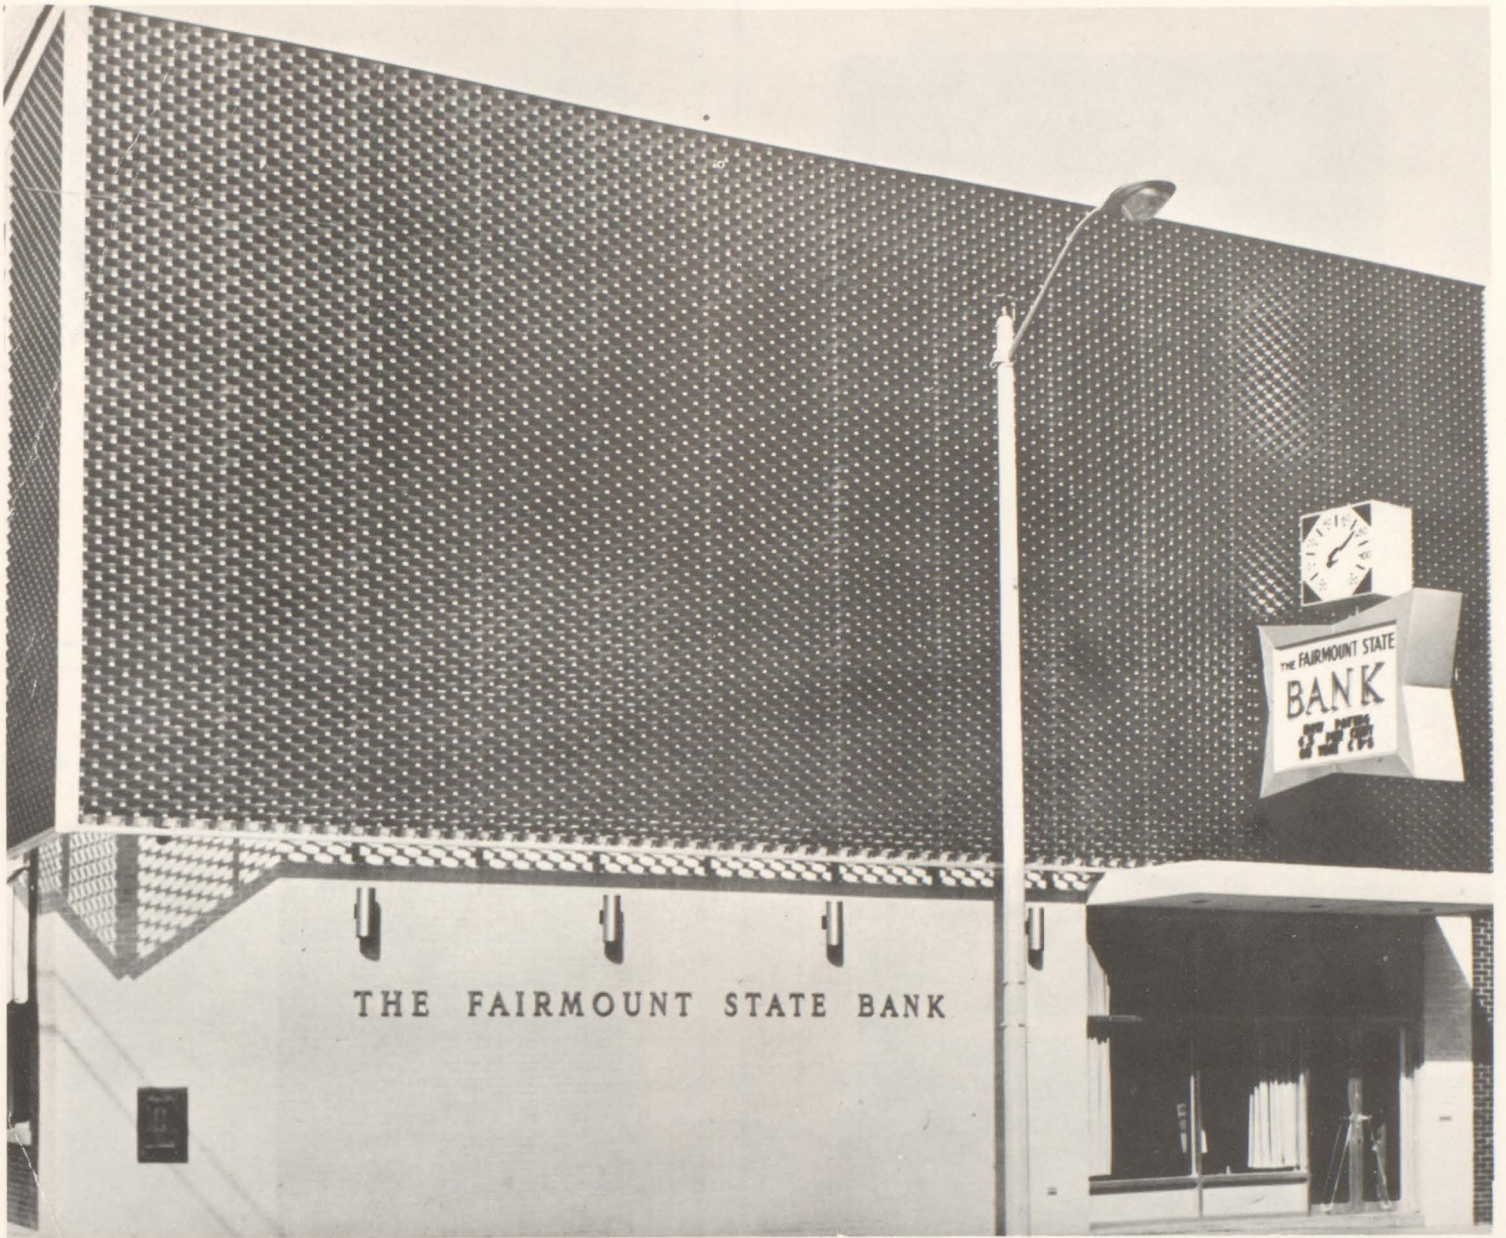

Keeping up with the increasing demands and expanding needs of our customers for more electric power is a full-time job.

To do so, we're constantly expanding.

I&M will soon begin construction of a nuclear generating station on Lake Michigan that will be one of the world's largest. It will produce some 2.2 million kilowatts of electric power to serve the homes, farms, businesses and industries in I&M's two-state service area.

Using the atom for power generation is just another way we can better serve our customers with low-cost, dependable electricity.
